Sjune 2013 Grade Boundaries Edexcel:

2012 GCSE English results Great Britain: Parliament: House of Commons: Education Committee, 2013-06-11 The 2012 GCSE English results prompted significant controversy which ultimately resulted in an application for judicial review This report sets out the background to these events and identifies lessons to be learned The problems with GCSE English can be traced back to the 2007/09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances Exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim Ofqual Further difficulties arose because of pressures from the school accountability system The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding The current status of Ofqual as an independent regulator accountable to Parliament is the right one However the Coalition Government is bringing in wholesale changes to GCSEs and A levels to a tight timetable and at the same time Ofqual must have systems in place The Committee is also concerned that there is a rush towards separate exam systems for England Wales and Northern Ireland without careful reflection on what might be lost or consensus that this is the right thing to do The Coalition Effect, 2010-2015 Anthony Seldon, Mike Finn, Ilias Thoms, 2015-03-26 The essential verdict on Britain's first coalition government since the Second World War delivered by an unrivalled team of experts

Ministering to Education Leighton Andrews, 2014-10-15 Important and highly readable of interest around the world because it enables the reader to see education reform from a minister's perspective as very few books have done before Sir Michael Barber *Ministering to Education* is the first book by a former Welsh Government Minister since the creation of the National Assembly in 1999 As Education Minister in the Welsh Government from 2009-2013 Leighton Andrews was twice named Welsh Politician of the Year This is his enlightening frank and readable account of the education reforms initiated in the early years of Carwyn Jones's period as First Minister and the complex challenges that still lie ahead to make the Welsh education system as good as any in the world Offering the inside story on the reform journey Wales embarked upon Andrews controversially reveals how he deliberately brought the media into the debate on school ranking He debates the decision to regrade exam results when English Language GCSE exams came under fire in 2012 and the effect such decisions have had in setting the education systems of England and Wales on diverging paths Student tuition fees were another area where Andrews led Wales in a different direction from England Following Michael Gove's departure as Westminster Education Secretary Andrews questions whether Wales or England has fared better and suggests what should happen next **The Times Index**, 2007 Indexes the Times and its supplements
