*The Beginners Guide to Using the Newest Apple TV (Fourth Generation - 2015):* Thomas Belle, 2015-11-05 Mac iPhone iPad Apple TV While Apple TV may not get the same press as other Apple products that is about to change. For years Apple TV was touted as Apple's hobby product something they tinkered with occasionally but not something they put as much effort in as other Apple products. This guide is an introduction to the newest Apple TV released in October 2015. If you are just thinking about making the switch from cable to streaming TV then this book will show you how. If you've already made the switch but you want to get the most out of it then it will cover that as well. There's something for everyone here so read on.

**Antiheroines of Contemporary Media** Melanie Haas, N. A. Pierce, Gretchen Busl, 2020-12-02 This volume of essays provides a critical foray into the methods used to construct narratives which foreground antiheroines, a trope which has become increasingly popular within literary media, film and television. Antiheroine characters engage constructions of motherhood, womanhood, femininity and selfhood as mediated by the structures that socially prescribe boundaries of gender, sex and sexuality. Within this collection, scholars of literary, cultural media and gender studies address the complications of representing agency, autonomy and self-determination within narrative texts complicated by age, class, race, sexuality and a spectrum of privilege that reflects the complexities of scripting women on and off screen, within and beyond the page. This collection offers perspectives on the alternate narratives engendered through the motivations, actions and agendas of the antiheroine while engaging with the discourses of how such narratives are employed both as potentially feminist interventions and critiques of access, hierarchy and power.

**The Binge Watch Guide** Chris Roberts, 2020-05-21 The 100 best streaming shows reviewed and rated. You may have viewing time on your hands; this guide will give you ideas for what to watch next with reviews of more than 100 of the best shows around from the BBC, ITV, C4, HBO, Amazon Prime, Sky, Atlantic, Netflix, Disney and more. **A Viewing Guide to the Pandemic** Richard Scheib, 2020-01-01 I have had a headache all day. I am afraid of what will happen next. *A Viewing Guide to the Pandemic* is a film book like no other. It opens with the author's first-hand account of the Covid-19 pandemic and life in lockdown. His sense of dread and anxiety about his state of health were experiences shared with millions of others across the world. Already committed to writing a book about plagues and pandemics in popular culture, Covid-19 felt like a perverse twist of fate for Richard Scheib. Media depictions of deadly contagions had to this point been speculative and often off the mark; his book takes an in-depth look at what filmmakers imagined would happen and contrasts it with the reality. International in scope, the book examines films in a wide variety of genres from the silent era to the present day: *Black Death*, *Ebola*, *Mad Cow Disease*, *Bird Flu*; it explores fictionalized accounts of plague and pestilence such as box office hit *Outbreak* (1995) as well as mockumentary treatments. Whether the threats depicted have a basis in reality, the biowarfare of the Cold War era for instance, or are more fantastical, Scheib

demonstrates how the fear of contagion has provided a wealth of inspiration for the big and small screen      **The Cheerful Subversive's Guide to Independent Filmmaking** Dan Mirvish, 2016-08-12 In *The Cheerful Subversive's Guide to Independent Filmmaking* celebrated Slamdance Film Festival co-founder Dan Mirvish offers a rich exploration of the process and culture of making low budget independent films Once labelled a cheerful subversive by *The New York Times* Mirvish shares his unfiltered pragmatic approach to scriptwriting casting directing producing managing a crew post production navigating the film festival circuit distributing your film dealing with piracy and building a career Readers will learn how to game the Hollywood system to their advantage get their films accepted by respected festivals without going broke and utilize a broad range of media and tactics to promote and distribute their work A companion website features behind the scenes interviews and footage from Dan's films and much more Learn everything you need to know to make promote and distribute your independent films with time tested lessons and practical advice on scriptwriting casting and directing A list actors financing producing managing a crew editing in post creating visual effects on a budget and successfully navigating the film festival circuit Find out what it takes to become a true cheerful subversive and adopt new and innovative approaches to producing your films discover hidden loopholes in the Hollywood system and festival scene take advantage of a broad range of media formats to promote and distribute your indie films and generally make bold moves in service of your creative work all while staying flexible enough to pivot at a moment's notice An extensive companion website features in depth interviews with filmmakers more than an hour of behind the scenes footage from Dan Mirvish's films festival resources and much more
