wearing a dark suit a beige raincoat and on his feet which were twisted at an odd angle he wore yellow brown shoes which seemed out of keeping with a day as colourless as this Apart from his shoes he looked so ordinary that he would have passed completely unnoticed on the street or on one of the numerous caf terraces on the boulevard One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian A supreme writer unforgettable vividness Independent The Late Monsieur Gallet Georges Simenon,2013-12-05 The second book in the new Penguin Maigret series Georges Simenon s devastating tale of misfortune betrayal and the weakness of family ties in a new translation by Anthea Bell Instead of the detail filling itself in and becoming clearer it seemed to escape him The face of the man in the ill fitting coat just misted up so that it hardly looked human In theory this mental portrait was good enough but now it was replaced by fleeting images which should have added up to one and the same man but which refused to get themselves into focus The circumstances of Monsieur Gallet s death all seem fake the name the deceased was travelling under and his presumed profession and more worryingly his family s grief Their haughtiness seems to hide ambiguous feelings about the hapless man In this haunting story Maigret discovers the appalling truth and the real crime hidden behind the surface of lies Penguin is publishing the entire series of Maigret novels in new translations This novel has been published in previous translations as Maigret Stonewalled and The Death of Monsieur Gallet Compelling remorseless brilliant John Gray One of the greatest writers of the twentieth century Guardian A supreme writer unforgettable vividness Independent Maigret and the Informer Georges Simenon,2019-12-05 The father of contemporary European detective fiction Ann Cleeves You see I mainly work at night I ve ended up getting to know everybody They re used to me in Pigalle I exchange a few words with this person or that person I go into the bars and cabarets where they give me a quarter bottle of Vichy without waiting for me to order anything An anonymous tip off regarding the death of a restaurant owner sends Maigret into the world of Parisian nightlife a notorious criminal gang and a man known as the Flea This novel has been published in a previous translation as Maigret and the Flea One of the greatest writers of the twentieth century Guardian **Maigret Hesitates** Georges Simenon,2019-05-02 The father of contemporary European detective fiction Ann Cleeves Maigret looked at him in some confusion wondering if he was dealing with a skilful actor or on the contrary with a sickly little man who found consolation in a subtle sense of humour A series of anonymous letters lead Maigret into the wealthy household of an eminent lawyer and a curious game of cat and mouse with Paris high society His artistry is supreme John Banville One of the greatest writers of the twentieth century Guardian Maigret and the Old People Georges Simenon,2018-06-07 His artistry is supreme John Banville He had seldom been so perplexed by human beings Would a psychiatrist a teacher or a novelist have been better placed to understand characters who had suddenly materialized from another century Maigret is called to the home of Armand de Saint Hilaire a highly respected official who has been found shot dead in his study by his housekeeper After interviewing everyone

Maigret's Secret Georges Simenon, 2018-04-05 His artistry is supreme John Banville Certain details of the case were etched more sharply than others in Maigret s memory Even years later he could recall the particular taste and smell of the rain shower in Rue Caulaincourt as keenly as a childhood memory At a dinner party Maigret recounts an old case in which Adrien Josset is found guilty and executed for the murder of his wife Christine As the case develops under the controlling hand of the magistrate all clues point to Josset s guilt yet Maigret is left unconvinced following his one interview with him Years after the case Maigret still doubts the true identity of the murderer This novel has been published in a previous translation as *Maigret Has Doubts* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian
