

## Chapter Questions **The Giver**

### Chapter 1

1. What impression does the airplane ban give you about the kind of place Jonas lives in?
2. What do you think the word 'released' means? (Hint: Think about what the word means to us and how it could be made into a punishment)
3. What is the most important thing in Jonas community?
4. Why do you think they do not have animals?
5. Do you think you would enjoy the nightly ritual of sharing feelings? Why or why not? (Think about what might be good about it and what might not be good)
6. How would you feel living in a place where rules were so important? Why?
7. What members is each family made up of? Can this be changed?

### Chapter 2

8. Jonas is at the same time eager and apprehensive of his 'twelve' ceremony. Tell about a time that you have had mixed feelings about something.
9. What job does Jonas father have? His mother?
10. How is the raising of babies different in their society than ours?
11. What do children get when they turn nine?
12. Which ceremony is most important? Why?
13. The children are given 'assignments' for their adult lives, what would we call these?
14. Would you like to have someone else choose your future? Why or why not? (Remember the choices made are based on observations of you)
15. What happens to children's 'comfort object' when they turn eight? What do you think of this? Why?

*The Northeast Question* KHRITISH SWARGIARY,2024-10-01 The Northeast of India is a place with many different groups of people each with their own special way of life It s beautiful but also a place where people have faced hard times Many folks there feel left out and not fully part of India As someone who cares deeply about this area I wanted to learn more and share what I found This book is my humble attempt to amplify these voices to bridge the chasm of misunderstanding that has long separated the Northeast from the rest of India It s a labor of love born from countless conversations with tribal elders young activists and everyday people who shared their hopes fears and dreams with a stranger who came to listen Through these pages I invite you to walk alongside the people of the Northeast to feel the weight of their history and to envision a future where their unique identities are celebrated as integral threads in the grand fabric of our nation My decision to write this book stemmed from numerous conversations and interactions with individuals from the Northeast Their stories often filled with pain resilience and hope prompted me to confront my own understanding of what it means to be part of a nation that frequently overlooks its most marginalized communities The narratives of these individuals are a testament to the harsh realities they endure from armed conflicts and insurgencies to the struggle for basic rights and recognition The Northeast s conflicts are not merely regional issues they reflect broader questions about national identity unity and the very nature of democracy in India
