*A Great Silence in the Land* K. W. Swain, 2010-11-12 In *A Great Silence in the Land* K W Swain adamantly defends the Holy Bible the actual dictation of the Holy Spirit who inspired holy men of old first to speak it then to record it and later translate it on its way around the globe to spread the Gospel of Christ It is the Word of the Holy Spirit and His watch care over it is described in a small but interesting history of the KJV Why has it been disavowed Could it be the desire of today's world to be free of its outdated commands and the torment of conscience that has extinguished it as a light to the nations Could this time of great wickedness be a result of its silence The Holy Bible tells us how the world began and how it will end but the world in its pleasures is blind to prophecy that is being fulfilled even now Is the Book of The Revelation coming to life before our eyes Here is an awakening look at the signs of the times Believers will have much to think about Unbelievers will scoff but as events make headlines even they may be surprised

*The Blessed Virgin Mary in England* Anthony Josemaria, FTI, 2008-11-10 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033-1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It

will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption
