SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha Dealers and their service personnel. It has been assumed that basic service procedures, common to the industry, and more specific to Yamaha Products, are already known and understood for the most part, and have therefore not been repeated.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction or expensive components and failure of the product to perform as specified. For these reasons, we advise all Yamaha product owners that all service must be performed by an authorized Yamaha Dealer or an approved service representative.

IMPORTANT: The preservation or sale of this manual to any individual or firm does not constitute authorization, certification, recognition of any applicable technical capabilities, or establish a pr agency-agent relationship of any kind.

The data provided is believed to be accurate and up-to-date as the time of printing. The receiver, engineering, and service data shown in this manual are subject to change without notice or obligation on our part. Should any discrepancy appear to exist, please contact the nearest Yamaha Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground band on the anti-static page block when contact is made.

IMPORTANT: Turn the unit OFF during adjustment and parts replacement. Disconnect all power before you begin power to the unit.
