**Understanding the New Testament and the End Times, Second Edition** Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God's people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters

Parables of War John W. Marshall, Canadian Corporation for Studies in Religion, 2001-11-19 Contending that its characterization as a Christian document has hindered interpretation Marshall aims to uncover the formerly hidden Jewishness of the Book of Revelation of John The focus is on four text complexes which describe the synagogue of Satan those who keep the commandments of God the 144 000 gathered on Zion and the holy city Coverage extends to a description of the social and cultural context of the diaspora during the Judean war Marshall teaches early Christianity and Second Temple Judaism at the U of Toronto

**Magical Motifs in the Book of Revelation** Rodney Lawrence Thomas,2010-06-06 Rodney Thomas considers whether Revelation was written as an anti magical polemic and explores the concept and definition of magic from both modern and first century standpoints *War in Heaven, War on Earth* Bradley S. Cobb,2024-07-22 Ever heard this one Revelation is impossible to understand and anyone who says otherwise is lying to you Of course there s also the people who say this one The events in Revelation are happening now Or at the very least they re about to happen The end is near People have been trying to use the book of Revelation to predict the end of time for years And every time they are proven wrong Why is that Because Revelation isn t a book about things that are happening today tomorrow or sometime in the future Revelation is about things which have already happened Some people point to Revelation 1 1 and say Look it s about to happen Except that verse was written close to 2 000 years ago It was about to happen then And if it didn t happen close to the time it was written then Revelation is a lie Do you want to know what the book of Revelation is really about Do you want to see the proof straight from the Bible Do you want to know why the stuff in Revelation was so important to the Christians who first read it Literally thousands of hours seriously of work have gone into this 500 page book so that you can know what Revelation is talking about What others have said If you want to understand Revelation talk to Bradley Cobb Michael Shank author of *Muscle and a Shovel* I ve studied the Bible for over fifty years and this is the first time Revelation has ever made sense to me A long time Bible teacher I can t believe I didn t see this before You ve made it so clear and easy to understand an elder Awesome Just awesome another elder The Revelation material you have online has been a great help to me in my studies A long time preacher

**We Are at War Book 5** Vitalis Chi Nwaneri,2012-11-14 OUR MISSION Over the past century the world has been witnessing a gradual decline in the state of global peace At a recent conference of World Religious Leaders in Assissi on the invitation of Pope Benedict XVI These Leaders expressed the concern that the declining state of world peace is partly fueled by growing religious crises like terrorism across the globe Accordingly it was resolved that global religious leaders should strive to contribute to the recovery in global peace Pope Benedict followed up the resolution with his establishment of the Pontifi cal Council on the New Evangeliztion PCNE to stem the growing De christianization in most advanced countries and enhance the effectiveness of the weapon of Evangelization as a means of contributing to Global Peace and Religious Freedom The Pope called on all the Lay Members of The Catholic Church to rise up and contribute to the mission of the PCNE Our Mission is a humble response to the Popes call In Book 1 the Author surveyed the teaching and history of the Church through

a military perspective He concluded that WE ARE AT WAR WITH SATAN the only enemy of God and Man That war started from the Garden of Eden after mans creation It has been going on ever since Author therefore reminds the world that its wars and crises from the family to the global levels are rooted in this war against Satan fi ghting us as it did to Adam and Eve to commit sins by disobeying Gods Commandments Through our disobedience and sins we bring as Adam did wars and crises from our families to the global levels Accordingly the Author concludes that we cannot avoid sins if we do not understand the Teaching of Christ Our Only Leader and recognize the voice language and strategies of His enemy Satan in tempting us to sin The Author views the teaching of Christ as the Pillars that sustain our lives and modern governance against the attacks of the enemy He therefore warns that driving God out of our private and public lives can only move us faster on the path to wars crises and declining global peace He therefore provides in these Books his views on how to avoid sins by recognizing the ways that the enemy Satan lures us to sin Through such recognition we can learn how to avoid its temptations In the world of today most sins arise from our denial or lack of knowledge of these sins at all levels of our activities and lives The principle of the Separation of State and Religion is being misinterpreted to mean denying sins in our political economic and social lives In Books 2 and 3 the Author continues his surveys of the enemys strategies to cause wars between Christianity and Secularity and shows how the two can cooperate to fi ght back and reduce our wars and enhance global peace In Book 4 he shows how the enemy uses us in our various professions to be its agents to cause wars that lead to a decline in peace from our family to the gobal levels Finally in Book 5 he surveys the on going Warfront against our Religious Freedom to obey Gods Commandments in all our Religious and Secular activities He concludes with strong Recommendations on building the Knights of The Cross Mission of warriors from our Grass root parish levels of the church to the global leve
