Wars Timothy Findley:

Timothy Findley's Novels Between Ethics and Postmodernism Dagmar Krause, 2005 Timothy Findley 1930 2002 is one of the most important contemporary Canadian writers His novels have been classified as postmodern exhibiting characteristic features such as parody historiographic metafiction and hybrid genres This classification of Findley as a postmodern writer however largely neglects the fact that Findley is deeply committed to the exploration of certain ethical and political themes Recurring topics in his work are for instance fascism environmental concerns and the problem of responsibility Sparked off by the fascinating question of how postmodernism and ethics can be reconciled at all and inspired by the so called ethical turn in the literary theory of the 1990s this study supplies a closer look at Findley's ethics with regard to its postmodern potential A detailed analysis of five of his novels *The Wars* *Famous Last Words* *Not Wanted on the Voyage* *The Telling of Lies* and *Headhunter* explores the ethical dimension of Findley's work and its consequences for his categorization as a postmodern writer

The Wars Timothy Findley, 1979 Robert Ross a sensitive nineteen year old Canadian officer went to war *The War to End All Wars* He found himself in the nightmare world of trench warfare of mud and smoke of chlorine gas and rotting corpses In this world gone mad Robert Ross performed a last desperate act to declare his commitment to life in the midst of death

Great Canadian War Stories Muriel Whitaker, 2001-10 Canada is renowned today for its role as a world peacekeeper However the country also played an important role in the wars of the twentieth century *Great Canadian War Stories* shows how Canada at war captured the imagination of fiction writers across the country The stories in this collection chronicle the scope of the Canadian war efforts in the twentieth century from Vimy Ridge to the plains of the Spanish Civil War to the skies over North Africa during World War II This collection includes selections from Timothy Findley Henry Kreisel Colin McDougall Thomas Raddell Joy Kogawa Earle Birney and 16 others At once terrible and uplifting memorable and harrowing the stories in this collection describe a seminal period in Canadian history *Great Canadian War Stories* show us how Canada became a nation in the twentieth century

Animals and War Ryan Hediger, 2012-11-01 *Animals and War* is the first collection of essays to explore its important yet neglected topic Scholars from sociology history anthropology and literary and cultural studies investigate the presence of animals in human wars The essays analyze a wide range of phenomena including the new militarization of bees zoo animals during war war dogs Finish horses in World War II Canadian war literature and the effort to memorialize nonhuman war animals Although animals are often forced to participate in human wars their presence also signals human vulnerability and dependence Several chapters demonstrate that in the frequently horrible circumstances of war powerful sympathies nonetheless flourish between humans and animals *Animals and War* thus exposes the often paradoxical contours of human animal relationships

Timothy Findley's The Wars Dennis Garnhum, 2008 This highly theatrical adaptation of Timothy Findley's classic novel traces the brutal coming of age of Robert Ross a sensitive idealist who goes off to the Great War in 1915 Ross who has a fondness for animals and shares a

strong bond with his wheelchair bound sister trades his comfortable surroundings in Canada for the nightmare world of trench warfare We watch Ross s slow unravelling as he moves from home to train to barracks and finally to the mud smoke and chlorine gas of the front line in France With death and dying everywhere around him Ross makes a desperate attempt to show his faith in life Cruelty heroism terror and honour The Wars takes us deep inside the mind of a soldier and straight onto the bloody battlefield The Wars is one of Canada s most beloved novels winner of the Governor General s Award for Fiction in 1977 This adaptation evokes the spirit imagery and heart of the novel and adds the immediacy of the theatrical form

Introducing Timothy Findley's The Wars Lorraine Mary York,1990 Canadian Fiction Studies are an answer to every librarian s student s and teacher s wishes Each book contains clear information on a major Canadian novel Attractively produced they contain a chronology of the author s life information on the importance of the book and its critical reception an in depth reading of the text and a selected list of works cited **The Wars** Timothy Findley,1983 *Straight Writ Queer* Richard Fantina,2006-09-27 The advent of gay and lesbian studies as an academic field opened the door for a new exploration of sexuality in literature Here works generally considered heterosexual are re examined in the light of queer theory The notion of homosexuality is viewed as a social construction that emerged during the 19th century with a definitive difference between biological sex and gendered behavior Heterosexuality is determined by whether sexual performance conforms to society designated gender roles From this wider perspective this book examines literature previously viewed as straight in a search for alternative manifestations of desire and performance relationships that contain an apparent disconnect between gender and desire With broad coverage of many periods authors and genres the 17 essays identify inherently queer heterosexual practices and critique the idea of heteronormativity blurring the line between homo and heterosexuality Topics discussed include sodomy and chastity Victorian literature the relationship between sex gender and desire and the instability in literary portrayals of gender and sexuality George Eliot George Meredith Ernest Hemingway and Rider Haggard are among the many authors discussed **Comparing Grief in French, British and Canadian Great War Fiction (1977-2014)** Anna Branach-Kallas,Piotr Sadkowski,2018-09-24 Comparing Grief in French British and Canadian Great War Fiction 1977 2014 offers a comparative analysis of twenty three First World War novels Engaging with such themes as war trauma facial disfigurement women s war identities communal bonds as well as the concepts of mourning and post memory Anna Branach Kallas and Piotr Sadkowski identify the dominant trends in recent French British and Canadian fiction about the Great War Referring to historical sociological philosophical and literary sources they show how by both consolidating and contesting national myths fiction continues to construct the 1914 1918 conflict as a cultural trauma illuminating at the same time some of our most recent ethical concerns **Media, Memory, and the First World War** David Williams,2009 Why does the Great War seem part of modern memory when its rituals of mourning and remembrance were traditional romantic even classical In this highly original history of memory David Williams shows how classic Great

War literature including work by Remarque Owen Sassoon and Harrison was symptomatic of a cultural crisis brought on by the advent of cinema He argues that images from Geoffrey Malins hugely popular war film The Battle of the Somme 1916 collapsed social temporal and spatial boundaries giving film a new cultural legitimacy while the appearance of writings based on cinematic forms of remembering marked a crucial transition from a verbal to a visual culture By contrast today s digital media are laying the ground for a return to Homeric memory whether in History Television the digital Memory Project or the interactive war museum Of interest to historians classicists media and digital theorists literary scholars museologists and archivists Media Memory and the First World War is a comparative study that shows how the dominant mode of communication in a popular culture from oral traditions to digital media shapes the structure of memory within that culture

Timothy Findley Carol Roberts, Lynne Macdonald, 1990 A writer of international reputation Timothy Findley s career encompasses successes in theatre film television radio and works of literature that have been translated into many languages and have received wide acclaim **Writings of Persuasion and Dissonance in the Great War**, 2016-06-10 Through chapters dedicated to specific writers and texts Writings of Persuasion and Dissonance in the Great War is a collection of essays examining literary responses to the Great War particularly the confrontation of two distinct languages One of these reflects nineteenth century ideals of war as a noble sacrifice the other portrays the hopeless brutal reality of the trenches The ultimate aim of this volume is to convey and reinforce the notion that no explicit literary language can ever be regarded as the definitive language of the Great War nor can it ever hope to represent this conflict in its entirety The collection also uncovers how memory constantly develops triggering distinct and even contradictory responses from those involved in the complex process of remembering Contributors Donna Coates Brian Dillon Monique Dumontet Dorothea Flothow Elizabeth Galway Laurie Kaplan Sara Mart n Alegre Silvia Mergenthal Andrew Monnickendam David Owen Andrew Palmer Bill Phillips Cristina Pividori Esther Pujolr s Noguer Richard Smith Rapt in Plaid Elizabeth Waterston, 2003-12-01 Illustrate a long lasting connection between Scottish and Canadian literary traditions and illuminates the way Scottish ideas and values still wield surprising power in Canadian politics education theology economics and social mores Re-Imagining the First World War Anna Branach-Kallas, Nelly Strehlau, 2015-09-18 In the Preface to his ground breaking The Great War and Modern Memory 1975 Paul Fussell claimed that the dynamics and iconography of the Great War have proved crucial political rhetorical and artistic determinants on subsequent life Forty years after the publication of Fussell s study the contributors to this volume reconsider whether the myth generated by World War I is still part of the fiber of people s lives in English speaking countries What is the place of the First World War in cultural memory today How have the literary means for remembering the war changed since the war Can anything new be learned from the effort to re imagine the First World War after other bloody conflicts of the 20th century A variety of answers to these questions are provided in Re Imagining the First World War New Perspectives in Anglophone Literature and Culture which explores the Great War in British Irish Canadian

Australian and post colonial contexts The contributors to this collection write about the war from a literary perspective reinterpreting poetry fiction letters and essays created during or shortly after the war exploring contemporary discourses of commemoration and presenting in depth studies of complex conceptual issues such as gender and citizenship Re Imagining the First World War also includes historical philosophical and sociological investigations of the first industrialised conflict of the 20th century which focus on responses to the Great War in political discourse life writing music and film from the experience of missionaries isolated during the war in the Arctic and Asia through colonial encounters exploring the role of Irish Chinese and Canadian First Nations soldiers during the war to the representation of war in the world famous series Downton Abbey and the 2013 album released by contemporary Scottish rock singer Fish The variety of themes covered by the essays here not only confirms the significance of the First World War in memory today but also illustrates the necessity of developing new approaches to the first global conflict and of commemorating new victims and agents of war If modes of remembrance have changed with the postmodern ethical shift in historiography and cultural studies which encourages the exploration of other subjectivities in war so far concealed affinities and reverberations are still being discovered on the macro and micro historical levels the Western and other fronts the battlefield and the home front Although it has been a hundred years since the outbreak of hostilities there is a need for increased sensitivity to the tension between commemoration and contestation and to re member re conceptualise and re imagine the Great War Canadian Corner John Pateman,2011-02-08 The story of the men of Canada who fought and died in the Great War and were buried in the Commonwealth War Graves Commission cemetery known locally as Canadian Corner at All Saints churchyard Orpington Kent *Catching the Torch* Neta Gordon,2014-03-25 *Catching the Torch* examines contemporary novels and plays written about Canada s participation in World War I Exploring such works as Jane Urquhart s *The Underpainter* and *The Stone Carvers* Jack Hodgins s *Broken Ground* Kevin Kerr s *Unity 1918* Stephen Massicotte s *Mary s Wedding* and Frances Itani s *Deafening* the book considers how writers have dealt with the compelling myth that the Canadian nation was born in the trenches of the Great War In contrast to British and European remembrances of WWI which tend to regard it as a cataclysmic destroyer of innocence or Australian myths that promote an ideal of outsize masculinity physical bravery and white superiority contemporary Canadian texts conjure up notions of distinctively Canadian values tolerance of ethnic difference the ability to do one s duty without complaint or arrogance and the inclination to show moral as well as physical courage Paradoxically Canadians are shown to decry the horrors of war while making use of its productive cultural effects Through a close analysis of the way sacrifice service and the commemoration of war are represented in these literary works *Catching the Torch* argues that iterations of a secure mythic notion of national identity one that is articulated via the representation of straightforward civic and military participation work to counter current anxieties about the stability of the nation state in particular anxieties about the failure of the ideal of a national character Crabtracks ,2021-12-28 The
