J. Wallis, 2024-03-01 God has set the stage for our life story to be acted out on and with the gift of a free will it's up to each of us to decide what role we want to play wilderness wanderers as the Israelites of ancient times so close to the Promised Land yet not permitted to enter or a believer in God's eternal

promises fulfilled in Christ There are only two options God does have a plan for humanity he has set forth a calendar established a timetable and we all live along that timetable somewhere from its beginning to the end of all human rule on Earth He needs each of us to start again spiritually to become willing participants in the inward transformation of our disposition ready for the day to come Becoming a Christian is easy Maintaining the claim that Christ lives in you will be the most challenging life changing experience How do we change our inner self to take on Christlikeness How do we react in times when our faith is put to the test times of unknowables those things sometimes beyond the limits of human experience or understanding The primary purpose of this book is to introduce the real God because if we seek a relationship with him we must think of it in terms of a valuable human relationship There needs to be a degree of attractiveness we need to share similar values as God possesses to even begin to flourish and grow *Intervention*, 1997 *Novels* Walter Besant, James Rice, 1888 By Celia's arbour, by W.
