Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types, including books, magazines, and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites, and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment Media firms, our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax, and much more. This innovative book offers unique information, all indexed and cross-indexed, more for each firm. Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data. Digital Video Recorders Jimmy Schaeffler, 2013-07-24

Four specific trends are driving the DVR industry: consumer content choice, consumer content control, personalization of content libraries, and the ability to transfer content from device to device and person to person. Digital Video Recorders features a macro and micro view of the already established yet still burgeoning DVR industry. As part of the NAB Executive Technology Briefing series, this book gives you a wealth of market knowledge, business models, case studies, and industry insights explained in a non-technical fashion. Digital Video Recorders discusses the impact of the technology across many different industries and platforms, explains hardware, software, and technology of set-top boxes, DVR infrastructure, on-screen guides, planning and scheduling, content security, and more. Whether you are an executive in the broadcast, telecommunications, consumer electronic, or advertising space, you will expand your knowledge on DVR impact, explore new business opportunities, and get a brief overview of the technical terms needed. You will also be able to accurately analyze and understand the trends, projections, and other data, all of which will help lead to the expedited growth and development of the DVR industry.

Hospitality Technology, 2005 New York, 2009-07 **The Actor's Detective Guide to Writing Letters to Celebrities** Chris Lucas, 2013-02 How would you like to get a personal letter or phone call from your favorite star? Or to have them send you an autographed item that can help you raise money for a charity? This book shows you exactly how to make those things happen. The Actor's Detective Guide to Writing Letters to Celebrities is part memoir, part how-to guide. It tells the story of how a love for writing letters to famous people benefited the author, both personally and professionally. It's something anyone can do. In this easy-to-follow book, you'll find examples of letters and letter writers that have been successful in getting notable people to respond personally. It also explains the do's and don'ts of contacting

celebrities very clearly laying out the steps of how to write to the stars in a way that compels them to get back to you A grammar school teacher recently read the book and she said that it was extremely useful to her in getting her 4th grade students excited about writing Of course kids are more enthusiastic about composing letters to LeBron James J K Rowling Will Smith or Justin Bieber than they are writing ones to Grandma but it s a good start In this age of texting and 140 character tweets letter writing has become a lost art This book hopes to instill that passion back into its readers and to remind them how powerful a personal letter can actually be in making a connection with someone they admire
