Gorman, 2015-05-06 The first detailed exegetical treatment of Paul s letters from the emerging discipline of missional hermeneutics Michael Gorman s *Becoming the Gospel* argues that Paul s letters invite Christian communities both then and now to not merely believe the gospel but to become the gospel and in doing so to participate in the life and mission of God Showing that Pauline churches were active public participants in and witnesses to the gospel Gorman reveals the missional significance of various themes in Paul s letters He also identifies select contemporary examples of mission in the spirit of Paul inviting all Christians to practice Paul inspired imagination in their own contexts

When Judaism and Christianity Began. Vol. 2 Alan Avery-Peck, Daniel Harrington, Jacob Neusner, 2022-12-05 In these volumes top scholars in the study of religion celebrate the enduring heritage in learning bequeathed to coming generations by Anthony J Saldarini 1941 2001

Twenty nine commemorative essays focus on the topical areas of formative Christianity and Judaism to which Dr Saldarini devoted his efforts earliest Christianity with special attention to the Gospels Judaism in late antiquity and the interchange between Judaism and Christianity then and now So too the disciplines represented in these pages match his history including archaeology literature religion and theology Recognizing the standards of learning set by Dr Saldarini in all of these areas the colleagues represented in these volumes memorialize him by following in the model he set of meeting the highest standards of the diverse fields that intersect in the study of Judaic and Christian antiquity The print edition is available as a set of two volumes 9789004136595 *Crisis In Lutheran Theology, Vol. 2* John Warwick Montgomery, 2018-01-27 All Three volumes deal with the issue of biblical inerrancy that the Bible is completely true and accurate not only when it speaks to ideas of religious belief but also when it speaks about factual elements of history and science properly understood This issue rocked the Lutheran Church Missouri Synod back in the late 1960s and early 1970s prompting the release of the first two volumes Volume one consists of essays by John Warwick Montgomery himself and is addressed primarily to theologians Volume two consists of an anthology by eight separate Lutheran contributors and is addressed to laymen as well as professional theologians Volume 3 is new never before published material and consists of essays by Dr Montgomery outlining a new challenge along the same lines Dr Jeffery Kloha suggested a few years ago with the latest critical edition of the New Testament Nestle Aland 28th Edition because of the interchangeability of some variant readings that we now had a plastic text Dr Montgomery goes up against this assertion with everything he has Though obviously addressing themselves primarily to Lutheranism the materials are to a large degree equally applicable to many of the other Christian communions and will be found to be extremely valuable in assessing the needs of a variety of denominations **Created Male and Female** Terrance Randall Wardlaw Jr., 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1:3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on interpretation **Stoddart's Encyclopaedia Americana** ,1889 *Reformed Systematic Theology, Volume 2* Joel Beeke, Paul M. Smalley, 2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology

from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith *A New Testament Commentary for English Readers* Charles John Ellicott, 1896

The Whole Works of the Rev. John Lightfoot, D.D., Master of Catharine Hall, Cambridge: Containing Horae Hebraicae et Talmudicae : or, Hebrew and Talmudical exercitations upon the Gospels of St. Matthew and St. Mark John Lightfoot, 1823

Resurrection Remembered David Graie, 2024-03-26 This book is the first major study to investigate Jesus resurrection using a memory approach It develops the logic for and the methodology of a memory approach including that there were about two decades between the events surrounding Jesus resurrection and the recording of those events in First Corinthians The memory of those events was frequently rehearsed perhaps weekly The transmission of the oral tradition occurred in various ways including the overlooked fourth model formal uncontrolled Consideration is given to an examination of the philosophy and psychology of memory including past and new research on 1 the constructive nature of memory 2 social memory 3 transience 4 memory distortion 5 false memories 6 the social contagion of memory and 7 flashbulb memory In addition this is the first New Testament study to consider the insights for a memory approach from the philosophical considerations of 1 forgetting and 2 the theories of remembering and from the psychological studies on 1 memory conformity 2 memory and age and 3 the effects of health on memory It is argued that Paul remembers Jesus as having been resurrected with a transformed physical body Furthermore the centrality of Jesus resurrection in Paul s theology suggests it was a deeply embedded memory of primary importance to the social identity of the early Christian communities New Testament scholars and students will want to take note of how this work advances the discussion in historical Jesus studies The broader Christian audience will also find the apologetic implications of interest
