### PROJECT SYNOPSIS GUIDELINE

Project synopsis provides an outline of the project work to be undertaken by the candidate. Once you have selected a suitable topic (related to your specialisation area), defined the problems and outlined the manner in which the project study is to be conducted, the next step is to prepare the project synopsis. This synopsis should be submitted ONLINE to IMT-CDL, Ghaziabad, through your **Student Information System (SIS)** login, for approval before you begin working on the Project. The synopsis will be scrutinized by the faculty of IMT-CDL to ensure that it follows the guidelines. Evaluated project synopsis will be available in your SIS Login. It is advised that you submit your Synopsis as early as possible so that you can resubmit the same with modifications, if it is rejected, within the timelines mentioned.

#### The Project Synopsis should cover the following:

**Title of the Project :** You can select any topic related to your specialization. For more information please visit website [www.imtcdl.ac.in](http://www.imtcdl.ac.in) and download the "Project Guidelines"

**Company Profile:** You have to choose an organisation for your project work. This should preferably be your own or any other organisation in the vicinity. In any case, it would be one where you have access to information and opportunity to discuss your ideas and views with the executives working there. The project outline and its formulation must be freely discussed with those who are responsible for similar activities in the organisation you have selected for your project work.

**Statement about the problem** - Having taken your first step it is important that you define the problem correctly. Problem definition has to be clear in terms of nature, size and scope of the project. These have to be stated in terms which are quite tangible and specific.

**Objectives and scope of the study** - Reasons for selecting the topic have to be explained along with the applicability or usefulness of the project idea. What contribution the project can make in the selected organization or in similar situations should be identified and stated.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Synopsis And Aannddand Project Guidelines books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Synopsis And Aannddand Project Guidelines books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Synopsis And Aannddand Project Guidelines books and manuals for download and embark on your journey of knowledge?
