Synthetic Birthstone Guide:

Consumers' Guide to Product Grades and Terms Timothy L. Gall, Susan B. Gall, 1993 Explains over 8 000 words grades and classifications used to describe the size age nature or quality of the products people use and buy every day Includes both voluntary standards and those regulated by the government **Jewelers' Buyers Guide** ,1951 **Modern Jeweler's Consumer Guide to Colored Gemstones** David Federman, 2012-12-06 Since early 1989 a gem dealer I've known for years has been calling me every few weeks to brief me on mounting mayhem in Colombia's lucrative emerald market The troubling gist of these calls is always this There is a full fledged turf war going on between that South American country's bustling drug and gem trades for control of its emerald export business According to this dealer and several others anywhere from two to four thousand emerald industry people mostly miners and dealers have been murdered since 1980 No doubt the gem sector itself never gun shy has retaliated in full and in kind After all the two groups have banded together in an intermittent alliance against a common enemy Communist guerillas with results the CIA would envy I mention this bloodshed because of something the gem dealer once said to me I bet you never think of what a gem has to go through to get to a jewelry store He's right I tend to think of colored stones as things of beauty not objects of gruesome power struggles between mining kingpins and drug lords Can you blame me or anyone with insider knowledge if a gem sheds any connection with its past once sculpted by a cutter into the glittering marvel we see in a jeweler's showcase Like Odysseus listening to the sirens song we become victims of an aesthetics induced amnesia Jewelry & Gems - The Buying Guide, 7th Edition ,2009 Code of Federal Regulations ,1999 **The Code of Federal Regulations of the United States of America** ,1982 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government **Code of Federal Regulations** ,2005-04 Title 16 presents regulations set forth by the Federal Trade Commission and the Consumer Product Safety Commission for commercial practices and procedures These include trade practice rules trade regulation rules fair packaging and labeling fair credit reporting hazardous substances flammable fabrics poison prevention packaging and refrigerator safety The Ruby & Sapphire Buying Guide ,1994 You don't have to be a jeweler or gemologist to tell a ruby from red glass or a good sapphire from a bad one The Ruby and Sapphire Buying Guide will show you how It's easy to read has lots of photos and gives clear step by step pointers on how to buy the best stone for the money This is the only book to offer detailed guidelines and pictures on judging ruby and sapphire quality Book jacket Mail Order Legal Guide Erwin J.
