T Guide New Tonight:

Carson the Magnificent Bill Zehme, 2024-11-05 The definitive biography of Johnny Carson the entertainer who redefined late night television and American culture told through intimate insights and riveting accounts of his legendary career and complex personal life In 2002 Bill Zehme landed one of the most coveted assignments for a magazine writer an interview with Johnny Carson the only one he'd granted since retiring from hosting The Tonight Show a decade earlier Zehme was tapped for the Esquire feature story thanks to his years of legendary celebrity profiles and the resulting piece portrayed Carson as more human being than American TV icon Following Carson's passing in 2005 Zehme embarked on an exhaustive nearly decade long research journey interviewing dozens of Carson's colleagues and friends to craft this immensely informative and insightful The Minnesota Star Tribune biography although his efforts were halted by a cancer diagnosis When he died in 2023 his obituaries mentioned the Carson book with New York Times comedy critic Jason Zinoman calling it one of the great unfinished biographies Yet the hundreds of pages Zehme managed to complete are astounding both for the caliber of their writing and how they illuminate one of the most legendary talk show hosts of all time A man who brought so much joy and laughter to so many millions but was himself exceedingly shy and private Zehme traces Carson's rise from a magic obsessed Nebraska boy to Navy ensign in World War II to a burgeoning radio and TV personality to eventually host of The Tonight Show which he transformed along with the entirety of American popular culture over the next three decades Without Carson there would be no late night television as we know it On a much more intimate level Zehme also captures the turmoil and anguish that accompanied the success four marriages troubles with alcohol and the devastating loss of a child In one passage Zehme notes that when asked by an interviewer in the mid 80s for the secret to his success Carson replied simply Be yourself and tell the truth Completed with the help from journalist and Zehme's former research assistant Mike Thomas Carson the Magnificent offers just that an honest assessment of who Johnny Carson really was **The Long Way Home (Family Tree #2)** Ann M. Smith, 2014-09-15 A son of poor Jamaican immigrants who grew up in Depression era Harlem, Harry Belafonte became the first black performer to gain artistic control over the representation of African Americans in commercial television and film. Forging connections with an astonishing array of consequential players on the American scene in the decades following World War II, from Paul Robeson to Ed Sullivan, John Kennedy to Stokely Carmichael, Belafonte established his place in American culture as a hugely popular singer, matinee idol, internationalist and champion of civil rights, black pride and black power. In *Becoming Belafonte*, Judith E. Smith presents the first full length interpretive study of this multitalented artist. She sets Belafonte's compelling story within a history of American race relations, black theater and film history, McCarthy era hysteria and the challenges of introducing multifaceted black culture in a moment of expanding media possibilities and constrained political expression. Smith traces Belafonte's roots in the radical politics of the 1940s, his careful negotiation of the complex challenges of the Cold War 1950s and his full flowering as a civil rights advocate and internationally acclaimed performer in the 1960s. In Smith's account, Belafonte emerges as a relentless activist, a questing intellectual and a tireless organizer. From his first national successes as a singer of Calypso inflected songs to the dedication he brought to producing challenging material on television and film regardless of its commercial potential, Belafonte stands as a singular figure in American cultural history, a performer who never shied away from the dangerous crossroads where art and politics meet **"From Beautiful Downtown Burbank"** Hal Erickson, 2015-07-11 Rowan and Martin's *Laugh In* was one of the most unusual programs on television, defying definition as simply comedy, variety or burlesque.
