cat Megan later meets the cat's mysterious owner who has a significant influence on the teenager's life. The Psychic Megan Series consists of twenty-four novelettes about a young girl's growing realization that she is able to do things that none of her family can. Megan is twelve years old in the first volume. She has two seemingly insurmountable problems. Her mother is frightened of her daughter's latent abilities and not only will not help her but actively discourages her and she can't find a teacher to help her develop her supernatural psychic powers. For she wants not only to know what it is possible to do and how to do it but to what end she should put her special abilities. Megan is a good girl so it would seem obvious that she would tend towards using her powers for good but it is not always easy to do the right thing even if you know what that is. These stories about Megan will appeal to anyone who has an interest in psychic powers, the supernatural, and the paranormal and is between the ages of ten and a hundred years old. In *Megan and the Lost Cat* Megan, our psychic teen, has read a poster about a missing cat and she decides to try to use her fledgling paranormal powers to help find it. Her instincts take her to the woods nearby where she receives help from a strange dancing girl and finds the cat. Megan later meets the cat's mysterious owner who has a significant influence on the teenager's life. Translator Owen Jones. PUBLISHER TEKTIME **Harpy S. H.**

Marpel, 2018-06-22. She'd been waiting to kill me for a very long time. And run out of patience at last. So she pulled me to her across time and space. Just so she could end my life. Painfully. Violently. But first she had to explain her reasoning. Because she had been thinking this through for a long time and someone should hear and applaud her reasoning. Crazy, yes. I was tightly bound to a support column in some old, dank and stone-lined room. Where exactly I didn't know. I had on my dungarees, work boots, red cotton t-shirt, under my canvas jacket. Like I'd just been air-lifted from the pasture on my farm. Facing me was a woman with wings. A gorgeous woman with strong, beautiful wings. Get Your Copy Now
