Take His Word:

Taking Jesus at His Word Addison H. Hart, 2012-07-16 Blessed are the poor in spirit A city set on a hill cannot be hid You cannot serve God and mammon Judge not that you be not judged Though such sayings from Jesus Sermon on the Mount are very familiar many people including Christians struggle to fully understand and follow them For those who are brave enough to reconsider what Jesus really said Addison Hodges Hart offers **Taking Jesus at His Word The Milk of His Word** Ray Van Tassell Jr., 2009-03 In this book we will learn the six basic doctrines of Christ What we must learn to get our flesh under our feet This writing reveals many issues concerning our walk with the LORD as we grow into His image through trials and tribulations mostly brought on ourselves by our own ignorance Hosea 4 6 states MY PEOPLE are destroyed for lack of knowledge because you have rejected knowledge I will also reject you that you shall be no priest to Me seeing you have forgotten the law of your GOD I will also forget your children Amos 3 3 states Can two walk together except they be agreed We ARE UNDER GRACE to learn of His ways as Exodus 33 13 tells us Now therefore I pray You if I have found grace in Your sight SHOW ME now Your way that I may know You that I may find grace in Your sight and consider that this nation is Your people Tough words but we His called out ones must repent and learn His word so Psalm 119 105 is alive to us Your word is a lamp to my feet and a light to my path It is time for the truly repentant church us to grow up and learn of His higher ways and walk in agreement with the Most High as Enoch did in the Old Covenant Revelation 19 7 tells us Let us be glad and rejoice and give honor to Him for the marriage of the Lamb is come and His wife has made herself ready He then will return NOT UNTIL UNTIL WHEN when we put His word in our hearts and come into agreement with the Most High having put the SIN NATURE UNDER OUR FEET and walk in HIS COMPLETED VICTORY as a glorious church Man of His Word Miriam Macgregor, 2011-07-15 Promises to keep Blake didn't know why April Lindsay had suddenly accepted a job in town but he was sure there had to be a man involved And just how did six year old Tim fit into April's life Blake sensed a mystery and he vowed to get to the bottom of it There was something about April that infuriated the hell out of him and he knew the feeling was mutual They were also both aware of another emotion at play between them attraction Where would it all lead Blake was determined it wouldn't be down the aisle and if there was one thing April had learned about him it was that he was a man of his word **His Word is His Bond: Believe and Trust Only God's Promises** , *Taking Frege at His Word* Joan Weiner, 2020 He is thought to have introduced and made crucial contributions to the project of giving an account of the workings of natural language Yet despite the great admiration most contemporary philosophers feel for Frege it also is widely believed that he committed a large number of serious and inexplicable blunders If Frege really meant to be constructing a theory of the working of natural language then a significant number of his stated views including views he portrayed as central to his philosophical picture are straightforwardly wrong But did Frege really mean to be giving an account of the workings of language He never explicitly said so And as Joan Weiner shows in *Taking Frege at his Word* if we

take seriously Frege's own accounts of what he means to be doing a very different and exciting philosophical project comes into view. The apparent blunders in his writings turn out not to be blunders at all. Moreover, far from turning Frege's writings into an object of purely antiquarian interest, the Frege Weiner uncovers has on offer new ways of addressing of important contemporary philosophical problems. Book jacket *A Man of His Word* Kathleen Fuller, 2023-08-22. Moriah's heart will only be safe with a man of his word. In just a few short months Moriah Miller's perfect life unravels. Newly wed and newly pregnant Moriah is abandoned by her husband Levi. He's left her his family and their faith without a backward glance. The community stunned rushes to the young woman's aid. But there is someone who feels more than just sympathy for Moriah. Gabriel Miller, Levi's twin, longs for an intimate commitment that might someday bind them to one another. Convinced of the impossibility of his dream, Gabriel settles for a mere friendship with the woman he loves. Moriah bravely goes on with her life, adjusting to her new role in their tight-knit Amish community and preparing for the birth of her child. She is unaware that her brief marriage, once idealized as the happiest time of her life, may have been merely a shadow of the kind of love God has created for her. A love that can mend the soul, renew her heart, and give her a future filled with hope if she'll only let it. His Word My Word PW The Poet, 2013-12. Johnson-Nauls,2022-03-29 My poems are meant to inspire uplift and to allow the reader to view life from different perspectives by delving into the mind of the writer ultimately knowing that if we turn to God and give him the glory and honor our lives will reflect it The decisions we make for our lives often reflect the relationship that we have with God Although we sometimes go through things that we can t control or due to no fault of our own accord no matter what phase our lives are in or what we are going through in our lives God s love for us will remain steadfast and his love for you will be enough to sustain you to bring you out **Sacra Pagina: The Gospel of John** Francis J. Moloney,2016-03-18 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity s earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology **The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Cowden- Clarke,1845 **The Blooming Woman** - Jane Wamucii,2012-02 Most people desire the Power the anointing the effectiveness that Jesus had but they seem really not to walk in it As a result they get frustrated and stop trying and settle where they are which is barely enough A lot has been taught on the love of God His faithfulness mercies forgiveness power and people seem to have grasped this so far The question still remains what is stopping Christians from living an abundant life Why is there still so much hopelessness and sin in the world today This book unravels the missing puzzle that of the believer s cooperation with the Holy Spirit in allowing us to conform to His image through the process of spiritual growth The book ties deep key truths necessary for the believer to become effective in doing the good works He created us for The book will help you set your mind above and walk in supernatural abilities that will will fascinate you Your life is about to change in a way you have never imagined possible
