The Making of Women Artists in Victorian England Jo Devereux, 2016-08-10 When women were admitted to the Royal Academy Schools in 1860 female art students gained a foothold in the most conservative art institution in England The Royal Female College of Art the South Kensington Schools and the Slade School of Fine Art also produced increasing numbers of women artists Their entry into a male dominated art world altered the perspective of other artists and the public They came from disparate levels of society Princess Louise the fourth daughter of Queen Victoria studied sculpture at the National Art Training School yet they all shared ambition talent and courage Analyzing their education and careers this book argues that the women who attended the art schools during the 1860s and 1870s including Kate Greenaway Elizabeth Butler Helen Allingham Evelyn De Morgan and Henrietta Rae produced work that would accommodate yet subtly challenge the orthodoxies of the fine art establishment Without their contributions Victorian art would be not simply the poorer but hardly Queen Victoria Charles V. Reed, 2025-01-07 Queen Victoria was until the 21st century the recognizable to us today longest reigning monarch in British history and reigned over an empire on which the sun never set While countless volumes have been written about the Great Queen recent scholarly work has meaningfully explored the queen s and the monarchy s place and role in Britain's global empire as well as the place of the monarchy and the queen in the complex and often brutal history of British imperialism The long story of Victoria is the story of multiple Victorias over the course of a long reign who was employed as a symbol of benevolent British rule who engaged some of her colonial subjects with interest and even empathy but who also supported and advocated for the worst excesses of British warfare and expansion Queen Victoria A Reference Guide to Her Life and Works explores the queen as well as the people events and ideas that shaped the life of the second longest reigning monarch in British history It features a chronology an introduction a bibliography and over 100 cross referenced dictionary entries It gives particular attention to the imperial and global impact of the queen's rule and her

Lady Constance Lytton Lyndsey Jenkins, 2015-03-12 Lady Constance Lytton 1869 1923 was the most unlikely of suffragettes One of the elite she was the daughter of a Viceroy of India and a lady in waiting to the Queen She grew up in the family home of Knebworth and in embassies around the world For forty years she did nothing but devote herself to her family denying herself the love of her life and possible careers as a musician or a reviewer Then came a chance encounter with a suffragette Constance was intrigued witnessing Emmeline and Christabel Pankhurst on trial convinced her of the urgent necessity of votes for women and she went to prison for the cause as gleefully as any child going on a school trip But once jailed Constance soon found that her name and her connections singled her out for unwelcome special treatment By now 1909 the suffragettes were hunger striking and the government had retaliated with force feeding. The stories that began to leak out of bungled operations of dirty tubes of screams half heard through brick walls of straitjackets and handcuff s outraged the suffragettes Constance decided on her most radical step yet to go to prison in disguise Taking the name Jane Warton she cut her hair put on glasses and ugly clothes and got herself arrested in Liverpool Once in prison she was force fed eight times before her identity was discovered and she was released Her case became a cause c l bre with debate raging in The Times and questions being asked in the House of Commons Lady Constance Lytton became an inspiration and in the end a martyr In this extraordinary new biography Lyndsey Jenkins reveals for the first time the fascinating story of the woman who abandoned a life of privilege to fight for women s rights The Prince and the Assassin Steve Harris, 2018-09-01 The engrossing real life story of how Queen Victoria's favourite son Prince Alfred undertook the most ambitious Royal tour only for Australia s overwhelming joy of having the first Royal on its shores jolted by his decadent behaviour then shocked by an attempted assassination by a man trained as a priest The British Empire's youngest and most distant outpost found itself at the epicentre of a new crime and empirical fears about the first inter continental terrorist group a conspiracy and a lone wolf In a resulting reign of terror extraordinary steps were taken to safeguard security with laws on treason and sedition which even the Queen felt went too far and the would be assassin was hastily executed in a
