**McClellan's Own Story** George B. McClellan, 1998-05 Born in Philadelphia on December 3 1826 George B McClellan graduated from West Point in 1846 before serving in the Mexican War At the start of the Civil War McClellan was put in a position of leadership and after a successful campaign in Virginia he was given command of the Army of Potomac one of the Union s strongest armies He led the Peninsular campaign with almost 100 000 troops under his command marching toward Richmond Although McClellan was a brilliant administrator who possessed good strategic sense the record shows that he was overcautious and consistently overestimated the strength of his adversaries always demanding more men and supplies before undertaking offensive action In 1862 McClellan disagreed with Abraham Lincoln and advanced on Richmond from the east instead of moving directly against the Confederates at Manassas Virginia Although the Union army was successful during the Peninsular campaign their failure to take Richmond the Confederate capital gave the South new motivation Dissatisfied with the campaign and McClellan Lincoln replaced him with Henry W Halleck as commander in chief After the defeat of the Union army in the Second Battle of Bull Run he was again placed in active command of the Army of the Potomac His overcautiousness at the battle of Antietam on September 17 1862 led to a draw instead of a Union victory Because of the heavy Union losses he was again relieved of his command by Lincoln for the duration of the war The Democratic Party nominated McClellan in 1864 as its candidate for president a peace platform but Abraham Lincoln defeated him After serving as governor of New Jersey From 1878 to 1881 McClellan died in Orange New Jersey on October 29 1885 [Listen to the Heart](#) Kay Williamson, 2003-10-08 Up and coming architect Debra Paley endured a lifetime of nightmares that resulted in psychosomatic illness These nightmares combined with the odd recurrence that Debra is often mistaken for a girl named Nicole lead a parapsychologist to conclude Debra is picking up the vibrations of another person When Debra begins work at the prestigious St Claire Architectural Firm she meets and falls in love with Terry St Claire Coworker Anita Parker obsessed with Terry sabotages Debra s drawings and plots to murder her Meanwhile two men are following wealthy Terry St Claire with plans for a kidnapping On Halloween Eve at the opening of the firm s latest project The Carlotta Inn Anita is prepared to carry out her murderous plot But the evening proves to be full of surprises for both Anita and Debra as the mystery of Debra s psychosomatic illnesses is finally solved [British Mystery Classics - Complete Collection \(Including Martin Hewitt Series, The Dorrington Deed Box & The Green Eye of Goona\)](#) - Illustrated Arthur Morrison, 2016-05-05 This carefully crafted ebook British Mystery Classics Complete Collection Including Martin Hewitt Series The Dorrington Deed Box The Green Eye of Goona Illustrated is formatted for your eReader with a functional and detailed table of contents Arthur Morrison 1863 1945 was an English writer and journalist known for his detective stories featuring the detective Martin Hewitt low key realistic lower class answer to Sherlock Holmes Martin Hewitt stories are similar in style to those of Conan Doyle cleverly plotted and very amusing Morrison is also known for his realistic novels and stories about working class life in London s East End A Child

**Christ and Controversy** Alan P.F. Sell,2012-01-01 What may happen when Christians take doctrine seriously One possible answer is that the shape of churchly life on the ground can be significantly altered This pioneering study is both an account of the doctrine of the person of Christ as it has been expounded by the theologians of historic English and Welsh Nonconformity and an attempt to show that while many Nonconformists held classical orthodox views of the doctrine between 1600 and 2000 others advocated alternative understandings of Christ s person hence the evolution of the ecclesial landscape as we have come to know it The traditions here under review are those of Old Dissent the Congregationalists Baptists Presbyterians and their Unitarian heirs and the Calvinistic and Arminian Methodist bodies that owe their origin to the Evangelical Revival of the eighteenth century *Tommy and Grizel* J.M. Conquering the World Brian Schultz, 2009-03-16 Unique in its genre and content the War Scroll 1QM presents a vision of an impending eschatological war Although originally interpreted as being the product of a single author from the Qumran Sect the composition's inconsistencies quickly led to the view that it is in fact an eclectic document with an elaborate compositional history Yet all such theories were formulated prior to the publication of War Scroll like texts from Caves 4 and 11 A careful re-examination of the War Scroll suggests instead that what began as a primitive and cohesive composition from the Hellenistic period about a two-stage conquest of the world was eventually updated in order to fit the new historical realities faced by the sectarians under Roman rule **First Hymn to Life in Congo** Constant Tsouza, 2013-11-14 Maria had been raped by a way of life known as Coconis which refers to various kinds of vicious horrific and inexcusable forms of barbaric behaviour As a direct consequence of this horrific and violent crime Maria gave birth a few months later just like several other young girls who had also become innocent silent and secret victims of similar crimes in this country However unlike some of the other young woman victims Maria was blessed with a strong faith in God She was determined not to resort to taking her own life and not to destroy the tiny life which was already gradually starting to grow inside her womb Maria had simply decided to transform this violent and hateful act which had stripped her of all human dignity into something much more powerful and good She wanted to be able to truly forgive not just the kind of forgiveness given by those who have no choice but the kind of forgiveness proffered by the weak and feeble to those who are stronger because they have no other choice in the matter Neither was it the biblical kind when one simply forgives one's fellow men for their sins and wrongdoings It wasn't like the forgiveness given by God either but more of Maria's own personal and unique quest

for forgiveness that she so yearned to be able to give to the young men who had raped her Maria was determined that her rapists should recognize the brutality and wickedness of their acts and then implore her forgiveness so that she herself could in turn sincerely forgive them It was the only way for her to redeem her personal dignity She felt that she had suffered enough and that she had every right to expect her rapists recognition of the terrible suffering that they had inflicted on her So it was on a beautiful sunny Saturday morning of June that Maria finally gave birth to twin boys She called them Kimia and Elikia which means peace and faith in the Congolese language Maria brought up and educated her twin boys in a traditional way She possessed a sufficient sum of money to pay for their education and see them through to the end of their high school education She knew that she had done her very best with regard to their civil education She died not long after receiving her twin sons baccalaurat results She died in peace but without having had the opportunity to be able to truly forgive her brutal attackers She died without anyone coming to ask her for forgiveness and without having been able to offer her sincere forgiveness But her last thoughts really went out to her wonderful children She remembered the great ocean of motherly love that she had been able to give them during their upbringing Before she closed her eyes for the last time she asked God to bless them On her deathbed she didnt have the slightest inkling of the powerful impact of the incredible testimonial that she had succeeded in bequeathing to her children As Maria Africa had also been kidnapped raped and its not a Belgian story and tortured for centuries From those repeated rapes were born sick and weak republics None of the many rapists did recognize the shameful paternity despite the fact that their saliva and blood were still visible everywhere and there was no need for complex DNA analysis to find out whom they belong to

*Nature-Inspired Algorithms for Optimisation* Raymond Chiong,2009-05-02 Nature Inspired Algorithms have been gaining much popularity in recent years due to the fact that many real world optimisation problems have become increasingly large complex and dynamic The size and complexity of the problems nowadays require the development of methods and solutions whose efficiency is measured by their ability to find acceptable results within a reasonable amount of time rather than an ability to guarantee the optimal solution This volume *Nature Inspired Algorithms for Optimisation* is a collection of the latest state of the art algorithms and important studies for tackling various kinds of optimisation problems It comprises 18 chapters including two introductory chapters which address the fundamental issues that have made optimisation problems difficult to solve and explain the rationale for seeking inspiration from nature The contributions stand out through their novelty and clarity of the algorithmic descriptions and analyses and lead the way to interesting and varied new applications
