The Modern Middle East A History By James L Gelvin:

The Modern Middle East James L. Gelvin, 2016 Extensively revised and updated in the wake of the Arab uprisings the changes that they fostered and the fault lines that they exposed the fourth edition of *The Modern Middle East* explores how the forces associated with global modernity have shaped the social economic cultural and political life in the region over the course of the past 500 years Beginning in the sixteenth century this book examines the impact of imperial and imperialist legacies the great nineteenth century transformation cultural continuities and upheavals international diplomacy economic booms and busts and the emergence of and resistance to authoritarian regimes Engagingly written drawing from the author's own research and other studies and enriched with maps and photographs original documents and an abundance of supplementary materials this text provides students with fresh insights into the events and debates that have shaped history and absorbed historians

The New Middle East James L. Gelvin, 2017-10-03 In the aftermath of the collapse of the USSR the American invasion of Iraq and the Arab uprisings of 2010-11 a new Middle East has emerged The Syrian civil war has displaced half the country's population and ISIS and other jihadi groups thrive in the political vacuum there and in Iraq setting a new standard for political violence Meanwhile regimes in Egypt and Bahrain have become even more repressive after the uprisings there and Libya and Yemen have virtually ceased to exist as states The hallmarks of this new Middle East are rebellion and repression proxy wars sectarian strife the rise of the Islamic State and intraregional polarization International and regional actors stoke the flames with the United States and Russia seeking to reposition themselves in the region and Saudi Arabia and Iran vying for supremacy In the long term perils including climate change food and water insecurity and population growth along with bad governance and stagnant economies will determine the destiny of the region In *The New Middle East What Everyone Needs to Know* renowned Middle East scholar James L Gelvin explains all these developments and more in a concise question and answer format Outlining the social political and economic contours of the New Middle East he illuminates the current crisis in the region and explores how the region will continue to change in the decades to come

The New Middle East James L. Gelvin, 2023 In the second edition of *The New Middle East What Everyone Needs to Know* renowned Middle East scholar James L Gelvin explains how in the aftermath of the collapse of the USSR the American invasion of Iraq and the Arab uprisings of 2010-11 a new Middle East has emerged Syria Libya and Yemen have become crisis states where warlords vie against governments and each other The economies of Iran Turkey and Lebanon weakened by corruption sanctions and neoliberal economic policies have imploded Some states have doubled down on repression while others intervene in the internal affairs of their neighbors with impunity The revised and expanded edition explores these hallmarks of the New Middle East along with the end of American hegemony in the region the expansion of conflict zones the continued centrality of the Saudi Iranian competition and the ramifications of the breakdown of the Israel Palestine peace process It also highlights the crisis of human security brought on by the COVID-19 pandemic bad governance

stagnant economies poor healthcare and educational delivery systems climate change food and water insecurity population growth and imbalance and the unprecedented displacement of populations In a concise question and answer format Gelvin outlines the social political and economic contours of the New Middle East illuminating the current crisis in the region and exploring how it is likely to evolve in the decades to come *The Routledge Handbook of the History of the Middle East Mandates* Cyrus Schayegh, Andrew Arsan, 2015-06-05 The Routledge Handbook of the History of the Middle East Mandates provides an overview of the social political economic and cultural histories of the Middle East in the decades between the end of the First World War and the late 1940s when Britain and France abandoned their Mandates It also situates the history of the Mandates in their wider imperial international and global contexts incorporating them into broader narratives of the interwar decades In 27 thematically organised chapters the volume looks at various aspects of the Mandates such as The impact of the First World War and the development of a new state system The impact of the League of Nations and international governance Differing historical perspectives on the impact of the Mandates system Techniques and practices of government The political social economic and cultural experiences of the people living in and connected to the Mandates This book provides the reader with a guide to both the history of the Middle East Mandates and their complex relation with the broader structures of imperial and international life It will be a valuable resource for all scholars of this period of Middle Eastern and world history **Understanding and Teaching the Modern Middle East** Omnia El Shakry, 2020-10-20 Many students learn about the Middle East through a sprinkling of information and generalizations deriving largely from media treatments of current events This scattershot approach can propagate bias and misconceptions that inhibit students abilities to examine this vitally important part of the world Understanding and Teaching the Modern Middle East moves away from the Orientalist frameworks that have dominated the West s understanding of the region offering a range of fresh interpretations and approaches for teachers The volume brings together experts on the rich intellectual cultural social and political history of the Middle East providing necessary historical context to familiarize teachers with the latest scholarship Each chapter includes easy to explore sources to supplement any curriculum focusing on valuable and controversial themes that may prove pedagogically challenging including colonization and decolonization the 1979 Iranian revolution and the US led war on terror By presenting multiple viewpoints the book will function as a springboard for instructors hoping to encourage students to negotiate the various contradictions in historical study **The Palestine-Israel Conflict** Gregory Harms, Todd M. Ferry, 2017-07-20 The Palestine Israel conflict is the most notorious and ingrained conflict in living memory Yet the way it is reported in the media is often confusing leading many to falsely assume the hostilities stretch continuously back to an ancient period The Palestine Israel Conflict provides a balanced accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context This fourth edition brings us up to

date and includes recent events such as Israel's Operation Protective Edge developments between Fatah and Hamas ongoing Palestinian resistance and the entirety of the Obama years This book cuts through the layers of confused and contradictory information on the subject and will help clarify the ongoing conflict for its readers *British Representations of the Middle East in the Exhibition Space, 1850-1932* Holly O'Farrell, 2023-11-10 This volume analyses British exhibitions of Middle Eastern particularly ancient Egyptian and Persian artefacts during the nineteenth and early twentieth centuries examining how these exhibitions defined British self image in response to the Middle Eastern other This study is an original interpretation of the exhibition space along intersectional constructionist lines revealing how forces such as gender race morality and space come together to provide an argument for British supremacy The position of museums as instruments of representation of display made them important points of contact between the British national imperialist scheme and the public Displays in the British Museum Victoria and Albert Museum and Burlington House provide a focus for analysis Through the employment of a constructionist lens the research outlines a complex relationship between British society and the Middle Eastern artefacts presented in museums during the nineteenth and early twentieth centuries This allows a dialogue to emerge which has consequences for both societies which is achieved through intersections of gender race and morality in space This book will be of value to students and scholars alike interested in museology cultural studies history and art history *Government and Politics of the Contemporary Middle East* Tareq Y. Ismael, Jacqueline S. Ismael, 2012-10-02 This exciting new book for students of Middle Eastern politics provides a comprehensive introduction to the complexities of the region its politics and people Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries the book explores current issues within an historical context Presenting information in an accessible and inclusive format the book offers coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East a detailed examination of the legacy of Islam analysis of the political and social aspects of Middle Eastern life alienation between state and society poverty and social inequality ideological crises and renewal case studies on countries in the Northern Belt Turkey and Iran the Fertile Crescent Iraq Syria and Lebanon Israel and Palestine and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council extensive pedagogical features including original maps and detailed further reading sections provide essential support for the reader A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this book will also be a significant reference for policy makers and any motivated reader *Middle Eastern and North African Societies in the Interwar Period*, 2018-07-03 Taking society as its central focus Middle Eastern and North African Societies in the Interwar Period approaches the region as one of connectivities and fluidity and investigates networks and interregional relations stratagems adopted to shape society and social resistance to or absorption of change From tourism to health propaganda marriage to beauty contest mass communication to music this book offers a

vibrant and dynamic picture of the region which goes beyond state borders Contributors are Diana Abbani Amit Bein Ebru Boyar Elizabeth Brownson Nazan i ek Kate Fleet Ulrike Freitag Liat Kozma Brian L McLaren and Emilio Spadola *The Israel-Palestine Conflict* James L. Gelvin,2021-03-11 Now in its fourth edition James L Gelvin s award winning account of the conflict between Israel and Palestine offers a compelling accessible and current introduction for students and general readers The book traces the struggle from the emergence of nationalism among the Jews of Europe and the Arab inhabitants of Ottoman Palestine through to the present exploring the external pressures and internal logic that have propelled it Placing events in Palestine within the framework of global history The Israel Palestine Conflict A History skilfully interweaves biographical sketches eyewitness accounts poetry fiction and official documentation into its narrative This updated edition features new material on the fate of the two state solution during the Trump Netanyahu era alongside an expanded glossary and suggestions for further reading *The Idealist* Samuel Zipp,2020-03-10 Winner of the Robert H Ferrell Book Prize The Idealist is a powerful book gorgeously written and consistently insightful Samuel Zipp uses the 1942 world tour of Wendell Willkie to examine American attitudes toward internationalism decolonization and race in the febrile atmosphere of the world s first truly global conflict Andrew Preston author of *Sword of the Spirit Shield of Faith* A dramatic account of the plane journey undertaken by businessman turned maverick internationalist Wendell Willkie to rally US allies to the war effort Willkie s tour of a planet shrunk by aviation and war inspired him to challenge Americans to fight a rising tide of nationalism at home In August 1942 as the threat of fascism swept the world a charismatic Republican presidential contender boarded the Gulliver at Mitchel Airfield for a seven week journey around the world Wendell Willkie covered 31 000 miles as President Roosevelt s unofficial envoy He visited the battlefield in North Africa with General Montgomery debated a frosty de Gaulle in Beirut almost failed to deliver a letter to Stalin in Moscow and allowed himself to be seduced by Chiang Kai shek in China Through it all he was struck by the insistent demands for freedom across the world In *One World* the runaway bestseller he published on his return Willkie challenged Americans to resist the America first doctrine espoused by the war s domestic opponents and warned of the dangers of narrow nationalism He urged his fellow citizens to end colonialism and embrace equality of opportunity for every race and every nation With his radio broadcasts regularly drawing over 30 million listeners he was able to reach Americans directly in their homes His call for a more equitable and interconnected world electrified the nation until he was silenced abruptly by a series of heart attacks in 1944 With his death America lost its most effective globalist the man FDR referred to as Private Citizen Number One At a time when America first is again a rallying cry Willkie s message is at once chastening and inspiring a reminder that one world is more than a matter of supply chains and economics and that racism and nationalism have long been intertwined **Justice Interrupted** Elizabeth F. Thompson,2013-04-15 The Arab Spring uprising of 2011 is portrayed as a dawn of democracy in the region But the revolutionaries were and saw themselves as heirs to a centuries long struggle for just government and the rule of law In

Justice Interrupted we see the complex lineage of political idealism reform and violence that informs today's Middle East

The Horrors of Adana Bedross Der Matossian, 2022-03-15 In April 1909 two waves of massacres shook the province of Adana located in the southern Anatolia region of modern day Turkey killing more than 20 000 Armenians and 2 000 Muslims The central Ottoman government failed to prosecute the main culprits a miscarriage of justice that would have repercussions for years to come Despite the significance of these events and the extent of violence and destruction the Adana Massacres are often left out of historical narratives The Horrors of Adana offers one of the first close examinations of these events analyzing sociopolitical and economic transformations that culminated in a cataclysm of violence Bedross Der Matossian provides voice and agency to all involved in the massacres perpetrators victims and bystanders Drawing on primary sources in a dozen languages he develops an interdisciplinary approach to understand the rumors and emotions public spheres and humanitarian interventions that together informed this complex event Ultimately through consideration of the Adana Massacres in micro historical detail this book offers an important macrocosmic understanding of ethnic violence illuminating how and why ordinary people can become perpetrators

A Concise History of the Middle East Arthur Goldschmidt, Lawrence Davidson, 2010 The classic bestseller on the history of the Middle East by renowned scholars Arthur Goldschmidt and Lawrence Davidson updated to reflect the latest scholarship and recent events in this turbulent region

Intoxicating Zion Haggai Ram, 2023-05-25 Masterfully illuminates the social and cultural fissures left by colonialism in the Levant as hashish trade transgressed new national borders Paul Gootenberg Stony Brook University author of Andean Cocaine The Making of a Global Drug When European powers carved political borders across the Middle East following World War I a curious event in the international drug trade occurred Palestine became the most important hashish waystation in the region and a thriving market for consumption British and French colonial authorities utterly failed to control the illicit trade raising questions about the legitimacy of their mandatory regimes The creation of the Israeli state too had little effect to curb illicit trade By the 1960s drug trade had become a major point of contention in the Arab Israeli conflict and drug use widespread Intoxicating Zion is the first book to tell the story of hashish in Mandatory Palestine and Israel Trafficking use and regulation race gender and class colonialism and nation building all weave together in Haggai Ram's social history of the drug from the 1920s to the aftermath of the 1967 War The hashish trade encompassed smugglers international gangs residents law enforcers and political actors and Ram traces these flows through the interconnected realms of cross border politics economics and culture Hashish use was and is a marker of belonging and difference and its history offers readers a unique glimpse into how the modern Middle East was made A fascinating and revelatory tale Ted R Swedenburg University of Arkansas A singular original work of research Yossi Melman Haaretz Informative though pun intended sobering this book is suited for academic libraries Hallie Cantor Association of Jewish Libraries Reviews The Sum of All Heresies Frederick Quinn, 2008 Quinn traces the Western image of Islam from its earliest days to recent times It

establishes four basic themes around which the image of Islam gravitates throughout history in this portrayal of Islam in literature art music and popular culture *Revolutionary Emotions* Assistant Professor of Political Science Silvana Toska,2024-10-25 For centuries revolutionaries have spoken of the emotional arousal that motivated them to revolt Studies of revolutions however rarely give these emotional narratives the power that actors themselves recount This book argues that revolutionary waves from 1848 to the present cannot be explained without the emotions that motivated potential revolutionaries to imitate revolts in neighboring states The shared identity of revolutionaries across borders leads to a shared emotional arousal and adoption of protest frames and methods By grounding the theory in revolutionaries emotional narratives and breaking down the dichotomies that plague revolution research structure agency domestic international Revolutionary Emotions provides a powerful new theory of revolutionary diffusion and success **The Middle East in the World** Lucia Volk,2015-02-11 The Middle East in the World offers students a fresh comprehensive multidisciplinary entry point to the broader Middle East After a brief introduction to the study of the region the early chapters of the book survey the essentials of Middle Eastern history important historical narratives and the region s languages religions and global connections Students are guided through the material with relevant maps resource boxes and text boxes that support and guide further independent exploration of the topics at hand The second half of the book presents interdisciplinary case studies each of which focuses on a specific country or sub region and a salient issue offering a taste of the cultural distinctiveness of the particular country while also drawing attention to global linkages Readers will come away from this book with an understanding of the larger historical political and cultural frameworks that shaped the Middle East as we know it today and of current issues that have relevance in the Middle East and beyond **The Cambridge Companion to Modern Arab Culture** Dwight F. Reynolds,2015-04-02 An accessible and wide ranging survey of modern Arab culture covering political intellectual and social aspects The Caliph and the Imam Toby Matthiesen,2023-02-07 The authoritative account of the sectarian division that for centuries has shaped events in the Middle East and the Islamic world In 632 soon after the prophet Muhammad died a struggle broke out among his followers as to who would succeed him The majority argued that the new leader of Islam should be elected by the community s elite Others believed only members of Muhammad s family could lead This dispute over who should guide Muslims the appointed Caliph or the bloodline Imam marks the origin of the Sunni Shii split in Islam Toby Matthiesen explores this hugely significant division from its origins to the present day Moving chronologically his book sheds light on the many ways that it has shaped the Islamic world outlining how over the centuries Sunnism and Shiism became Islams two main branches particularly after the Muslim Empires embraced sectarian identity It reveals how colonial rule institutionalised divisions between Sunnism and Shiism both on the Indian subcontinent and in the greater Middle East giving rise to pan Islamic resistance and Sunni and Shii revivalism It then focuses on the fall out from the 1979 revolution in Iran and the US led military intervention in Iraq As Matthiesen shows however though

Sunnism and Shiism have had a long and antagonistic history most Muslims have led lives characterised by confessional ambiguity and peaceful co existence Tensions arise when sectarian identity becomes linked to politics Based on a synthesis of decades of scholarship in numerous languages The Caliph and the Imam will become the standard text for readers looking for a deeper understanding of contemporary sectarian conflict and its historical roots
