Blood Stories Janet Lee, Jennifer Sasser-Coen, 2015-12-22 *Blood Stories* focuses on menarche as a central aspect of body politics in contemporary US society emphasizing that women are integrated into the social and sexual order through the body Using oral and written narratives of 104 diverse women the authors address the central question of how menarche as a bodily event signifying womanhood takes on cultural significance in a society that devalues women Exploring issues of contamination and concealment and the sexualization of women's bodies that occurs at menarche the authors emphasize how the politics of gender are negotiated on through women's bodies

Embodied Injustice Mary Crossley, 2022-08-25 Black people and people with disabilities in the United States are distinctively disadvantaged in their encounters with the health care system These groups also share harsh histories of medical experimentation eugenic sterilizations and health care discrimination Yet the similarities in inequities experienced by Black

people and disabled people and the harms endured by people who are both Black and disabled have been largely unexplored To fill this gap Embodied Injustice uses an interdisciplinary approach weaving health research with social science critical approaches and personal stories to portray the devastating effects of health injustice in America Author Mary Crossley takes stock of the sometimes vexed relationship between racial justice and disability rights advocates and interrogates how higher disability prevalence among Black Americans reflects unjust social structures By suggesting reforms to advance health equity for disabled people Black people and disabled Black people this book lays a crucial foundation for intersectional cross movement advocacy to advance health justice in America Antoine Watteau Mary D. Sheriff,2006 The essays in Antoine

Watteau Perspectives on the Artist and the Culture of His Time offer a richly textured portrait of the artist s life work and reputation for students specialists and the general public The volume brings together art historians whose research is currently defining the field of Watteau studies with scholars from history and literature who have published widely on the political and cultural trends of Watteau s era Essays include studies of the artist s drawing practice his relation to the emerging public sphere and the changing fortunes of his reputation as well as considerations of art dealing and fashion in Watteau s time Other essays take up conversation dance seduction and theatricality as essential themes of Watteau s art This volume will be an indispensable resource for all those interested in the visual culture of Regency France **Women**

Coauthors Holly A. Laird,2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing In Women Coauthors Holly Laird reads coauthored texts as the realization of new kinds of relationship Through close scrutiny of literary collaborations in which women writers have played central roles Women Coauthors shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing Focusing on the social dynamics of literary production including the conversations that precede and surround collaborative writing Women Coauthors treats its coauthored texts as representations as well as acts of collaboration Holly A Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self status race reason and culture that of the Delany sisters and Amy Hill Hearth on Having Our Say lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper Michael Field and Gertrude Stein and Alice B Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender race and sexuality in the late twentieth century the partnerships and texts observed in Women Coauthors explore collaboration as a path toward equity both socioliterary and erotic For the authors here who collaborate most fully with each other two are much better than one
