*The Omer - Making Our Life Count* G. L. Cozzens, 2014-05-24 Does your life count Who is the one to make that determination Does your life count for what to whom The Omer Making Our Life Count is volume two in the Salvation Comes series a follow up to volume one Passover The Reason for Our Life The counting of the Omer or Sefirat HaOmer is done in accordance to a commandment found in the Old Testament and the Torah You shall count seven full weeks from the day after the Sabbath from the day that you brought the sheaf omer of the wave offering You shall count fifty days to the day after the seventh Sabbath Then you shall present a grain offering of new grain to the LORD Leviticus 23 15 16 The beginning of this count occurs during the Passover feast and ends with the event of the giving of the law through Moses after the exodus In Christianity this fiftieth day has come to be known as Pentecost and the day the 120 in the Upper Room received the Promised One the Breath of God God s Spirit the One Jesus promised He would have the Father send that would be a helper to His children the One that would be with them and in them Prior to His death on the cross and His return to His glorious state with the Father Jesus promised His disciples that He would not leave them as orphans that the Spirit of the Father and the Son would come to be with them and this is in fact what happened The Spirit of God was sent to ensure the bride promised to the Son would be delivered to Him in full and whole In the desert after the exodus from Pharaoh the Israelites received the commandment from the Lord through Moses and became a people married to Him This event was a foreshadowing of the advent and gift of the Spirit of God that would come millennia later to the descendants of those desert wanderers The gift would come through a Son of that bride and of that Husband He was an Israelite and would die as King of the Jews But today He is alive and is set to rule forever on the throne of David His life counted and because of Him ours can too Read on and find out how and why the Living God wants it to Find out why He has counted you worthy to receive Him and then receive Him and be counted in the One that counts the One that is the count for He is Faithful and True **Voice of Rejoicing and Salvation** Jacob ben Wolf Kranz, 2005 An insightful commentary of the Dubner Maggid on the Book of Esther Here is a full English translation of the profound commentary on Megillas Esther by the famed Maggid of Dubno a legendary Torah scholar and orator This magnificent translation brings out the Maggid s powerful message filled with brilliant insights and the engaging parables that are the Maggid s trademark **Herald of Gospel Liberty** Elias Smith, 1919 **Learning Messiah** Edjan Westerman, 2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized

reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God's way anew and to walk in it *The Book of Revelation* Bishop Audrey Drummonds Ph.D., 2015-11-30 The Bible is a book written by God and the formation of His family Our believing knowing and understanding are the revelation of Christ already in us which must be squeezed and shaped into His image so that when others see us they see their Father God is looking for his sons to do this The Book of Revelation reveals Christ in us which must be manifested as the body with Jesus as the head in order for the return of the Lord to be revealed This book is the instruction of the spiritual process that must take place individually and then corporately in each child of God to walk in the authority and power as a son What he created in spirit must come forth in the flesh with his image and likeness We must know in our heart that we are an offspring a portion of the original Jesus has been blowing the sound of our jubilee since he rose from the grave He is waiting for us to hear this sound and enter into his rest We have the ability today to know the power of his resurrection while in our natural body The Book of Revelation tells us how God is looking for His sons He created in the beginning to take dominion and authority The Book of Revelation reveals Christ in us who must be manifested as His body with Jesus as the head When Jesus said It is finished was he just making a way for personal salvation with God or was there a bigger picture John 14:12 says Verily verily I say unto you he that believeth on me the works that I do shall he do also and greater works than these shall he do because I go unto my Father For over 2000 years the body of Christ has been liken to kings and lords hiding in a cave waiting for a someday when they get to heaven to receive their inheritance as a son of God When Jesus died he gave us the ram's horn the shofar to declare that our JUBILEE is here NOW for us to receive The Book of Revelation teaches us how to hear the sound of this horn the voice of the Father which brings hope and challenge for us to open the doors to our true identity as a son of God It will set us free from the captivity and bondages in our lives as we find out that as He is so are we today in this world with His power and His authority

**The Complete Works of Charles Spurgeon, Volume 55** Spurgeon, Charles H., Volume 55 Sermons 3125-3177 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating

thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon
