genealogist Morton Farrier accepted an invitation to travel to Salt Lake City, Utah, to speak at the RootsTech genealogy conference, he had been unaware that one of his co-panelists was to be none other than his former girlfriend Madison Scott Barnhart. Whilst he prepares anxiously to meet her for what will be the first time in twenty-six years and hopefully to discover the unresolved truth behind her abrupt ending of their relationship, he takes on the case of researching his wife's mysterious great grandfather, a man who deserted his Sussex family shortly after the First World War. In the course of his investigations and time in the States, Morton uncovers some shocking truths, some of which are uncomfortably close to home. **The**

Sawtooth Slayer Nathan Dylan Goodwin, 2022-10-28 April 2020 Twin Falls, Idaho. A serial killer is on the loose. A nameless man is kidnapping young women from their own homes, taking them out of the city to kill them before returning their bodies to random locations around the city. Detective Maria Gonzalez heads up the investigation but has very few leads to pursue. As time passes and fears rise that the killer might strike again with a fifth victim, Maria turns to Venator, an investigative genetic genealogy company, in the hope that they can identify the killer from his DNA alone before he has the chance to take yet another life. Despite her initial reticence to take on the company's first ever live case, Madison Scott Barnhart and her team in Salt Lake City agree to try to reveal the identity of this barbaric serial killer. In the midst of the global pandemic that has closed the Venator office and posed both personal and professional problems for Madison, time is running out on this case. This is the second novel in the Venator Cold Case series.
