No Alternative Shmuel Shimshoni,2012 The author Shmuel Shimshoni born in Montreal Canada and now living in Israel has created a number of imaginative essays some bordering on fictionalized reality We find David a timid clerk looking for the host His cell phone indicates an incoming call that happens to be from the elusive host The voice notifies him I won t be joining you for the Sabbath retreat Therefore it s up to you to take things in hand and organize a program With no alternative our central figure somehow finds a way to become the leader of thirteen other men who were likewise invited to attend this event in total ignorance of what to expect Throughout the story a fine strand connects all fourteen total strangers They all have something to contribute as between courses during their meals each one tells of an event in his life that unwittingly relates to the other participants But before they even get to eat their first meal they are introduced to a discourse based upon a little known religious ruling about how guests are supposed to conduct themselves especially when the host is absent All the seemingly disconnected guests share something in common But it is not till the very end of the day that they learn what it is as a most completely unexpected secret is revealed *How Judaism Became a Religion* Leora

Batnitzky,2013-08-25 Is Judaism a religion a culture a nationality or a mixture of all of these This title tells the story of how Judaism came to be defined as a religion in the modern period and why Jewish thinkers have fought as well as championed this idea Catalog of Copyright Entries Library of Congress. culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition

Modern Christianity Dennis Loze, 2010-10 Almost 2 billion people profess to be Christians whilst they have differences in doctrine they generally share similar beliefs The truth is most never truly study the Bible many others never even open it Most professing Christians have no idea what it teaches on almost any subject Their beliefs are derived from assumptions based on what they have been told the Bible says They can readily give their definition of what the Bible says but cannot give the actual Bible definition Jesus said Do not think that I have come to abolish the Law or the prophets I have not come to abolish them but to fulfil them I tell you the truth until heaven and earth disappear not the smallest letter not the least stroke of a pen will by any means disappear from the Law until everything is accomplished Anyone who breaks one of the least of these commandments and teaches others to do the same will be least in the Kingdom of heaven but whoever practices and teaches these commands will be called great in the Kingdom of heaven Matthew 5 17 19 New International Version

Judeo Christianity heritage is so important to understand but unfortunately very few Christians have had the courage or encouragement to familiarise themselves with this heritage The roots of Christianity run so deep into the Hebrew soil but the actual study of the Hebrew world has been so superficial and also deemed irrelevant Have we been guilty of allowing Man's Law replacing God's Law Christians should re-examine their Jewish roots so as to affect a more authentic Biblical understanding and lifestyle
