

*A Regency Romance*

# THE MISER'S SISTER

When Maria Campbell  
learned that her father  
had died, she was  
in a state of shock. She  
was the only daughter  
of a wealthy family,  
and she was the only  
one who had survived.

This play was acted for the first time on September 9 1668 In it Moli re has borrowed from Plautus and has imitated several other authors but he far surpasses them in the treatment of his subject The picture of the miser in whom love of money takes the place of all natural affections who not only withdraws from family intercourse but considers his children as natural enemies is finely drawn and renders Moli re s Miser altogether more dramatic and moral than those of his predecessors Moli re acted the part of Harpagon      **The miser. Timothy Albarn,2022-05-05 This volume uses the extreme case of misers to examine interlocking categories that undergirded the emergence of modern British society including new perspectives on charity morality and marriage new representations of passion and sympathy and new modes of saving spending and investment Misers surveys this class of people as invented and interpreted in sermons poems novels and plays analyzed by economists and philosophers and profiled in obituaries and biographies to explore how British attitudes about saving money shifted between 1700 and 1860 As opposed to the century before the nineteenth century witnessed a new appreciation for misers as economists credited them with adding to the nation s stock of capital and novelists newly imagined their capacity to empathize with fellow human beings These characters shared the spotlight with real people who posthumously donned that label populating into a cottage industry of miser biographies by the 1850s By the time A Christmas Carol appeared in 1843 many Victorians had come to embrace misers as links that connected one generation s extreme saving with the next generation s virtuous spending With a broad chronological period this volume is useful for students and scholars interested in representation of misers in eighteenth and nineteenth century Britain      *The Complete Works: The miser.
