Mesmerized by the sensuous moves of the stranger who danced with her at the Lucian Club Caitlynn Pilgrim has been trying for almost two years to get him out of her mind with no success Until that night she was perfectly happy with her single life and was not looking for a man to complicate it but this stranger with his seductive moves has her rethinking that decision So for over a year she has been returning to the club hoping to run into him and have one more dance with him Alas Caitlynn does not know the stranger s name or even what he looks like She was so taken with dancing with him she d neglected to look into his face and when she was suddenly called away by her friend Esther she d returned to pick up where she left off only to find him gone Andre Cunningham burns with memories of the beautiful passionate woman he danced with two years ago at the club He had spotted her as soon as she walked in waving her hand in the air He d danced up to her and without uttering a word fitted his body against hers They moved together as one She was as fluid as honey weaving her magic over him until he was intoxicated Just as he was about to ask her name she separated herself from him and went to talk to her friend she did not return he was devastated From that day to now he has haunted the club every chance he gets searching for his mysterious dancer but so far it has been an effort in futility This Labor Day will be two years since that unforgettable dance He hopes this will be the night he reconnects with his mysterious dancer even if he has to search every corner of the Club He will not give up until he finds her She has branded him with her magic and ruined him for all others **New York**
