Brooklyn 593 reflects on the tumultuous life and times of an African American youth who was born on a small farm in Georgia into a loving family that suffered immensely from the ravages of social and economic injustice and exploitation that permeated American Society during that era. After the untimely death of my mother and my father's subsequent remarriage, my sisters and I were uprooted from rural Georgia and transplanted into the hustle and bustle of big city life in Brooklyn, New York, where we grew up in a dysfunctional, abusive household at 593 Halsey Street. Additional reflections include my experiences during 26 years of military service, which included tours of duty in Germany, Libya, and Vietnam, with samplings of the many good times experienced and hardships encountered along the way. **Clearinghouse Review**, 1988-05.
