Professor University of Cincinnati Citation analyses have become one of the most significant measures of scholarly influence. They are especially useful for revealing major trends over time regarding authors and the topics of interest to the wider field. Cohn Farrington and Iratzoqui's *Most Cited Scholars in Criminology and Criminal Justice 1986-2010* provides the most up to date comprehensive and longitudinal investigation of scholarly influence in criminology/criminal justice. This resource is a most interesting read, one that supplies not a mere counting of citations but clear ideas about where the field has been centered and where it is trending into the future. Alex R.
