Release Of Placement Date For Universities 2015 In Kenya

**Nic Cheeseman, Karuti
Kanyinga, Gabrielle Lynch**

Release Of Placement Date For Universities 2015 In Kenya:

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

Governance and Christian Higher Education in the African Context David K. Ngaruiya, Rodney L. Reed, 2019-02-14 Integrity pastoral care and authority lie at the heart of Christian leadership and indeed following Jesus in any capacity and they are also critical in state governance and Christian higher education The articles in this book the product of the 2017 conference of the Africa Society of Evangelical Theology address these themes and other topics relating to the spheres of government and education in Africa to enhance our understanding of the challenges faced in African contexts A wide range of Christian scholar leaders provide a way forward for other church and institutional leaders who are seeking to faithfully fulfill their responsibilities of stewardship and instruction Corruption civil disobedience good governance and formation of Christian leaders are matters that are becoming increasingly relevant not only in many African countries but across the world and this book is a valuable resource for thoughtful reflection and guidance on these important subjects

Science Research and Education in Africa Alain L. Fymat, Joachim Kapalanga, 2017-03-07 For various economic and political reasons many African countries lag behind the rest of the industrialised world in scientific and medical research and development However the presence of intellectual islands scattered across the continent gives hope that this is only a transient situation on the cusp of undergoing a profound and beneficial change For this reason the Society for the Advancement of Science in Africa was established to catalyse and contribute to this needed evolution Its mission is to contribute to Africa s economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s third annual conference The conference was held under the overarching theme of science research and education in Africa with several important sub themes including but not limited to improving health research and disease surveillance education epidemic diseases with high mortality promoting women s interest in science careers fostering youth development with science education The collection illustrates how although the chapter contributors come from various countries and

universities representing their own academic research they all share a common interest in advancing science research and education in Africa

Fruit Fly Research and Development in Africa - Towards a Sustainable Management Strategy to Improve Horticulture Sunday Ekesi, Samira A. Mohamed, Marc De Meyer, 2016-12-01 Horticultural sector presents many opportunities for economic development and improving livelihood of growers but several factors constrain production and limit the potential for trade of fruits and vegetables Tephritid fruit flies constitute a major constraint They cause enormous losses through direct feeding damage and loss of market opportunities through imposition of quarantine restrictions by importing countries to prevent entry and their establishment In Africa several native *Ceratitis* and *Dacus* spp and exotic *Bactrocera* and *Zeugodacus* spp species inflict considerable losses to horticulture causing losses ranging from 30 90% Over the past 10 years of R coverage of African native species has been limited largely to *Bactrocera oleae* and *Ceratitis capitata* which are not economically important species in many Africa countries Indeed no book exist that have explicitly addressed economically important African fruit flies and none of the various reviews have specifically focused on the status of the bioecology economic impact and management of exotic and native fruit flies including several potentially invasive *Dacus* species attacking vegetables in Africa This book consolidates this status of knowledge and socio economic impact of various intervention techniques that are currently being applied across Africa The timing of the book is especially pertinent due to the changing fruit fly landscape in Africa caused by arrivals of the highly destructive alien invasives *Bactrocera dorsalis* *B. zonata* and *B. latifrons* and the priorities African countries have placed recently on export of fruits and vegetables to international markets This is an important reference material for researchers academics and students that are keen at improving horticulture and enhancing food and nutrition security in Africa and beyond

Climate Change, Migration and Human Rights Dimitra Manou, Andrew Baldwin, Dug Cubie, Anja Mihr, Teresa Thorp, 2017-05-12 Climate Change already having serious impacts on the lives of millions of people across the world These impacts are not only ecological but also

social economic and legal Among the most significant of such impacts is climate change induced migration The implications of this on human rights raise pressing questions which require serious scholarly reflection Drawing together experts in this field Climate Change Migration and Human Rights offers a fresh perspective on human rights law and policy issues in the climate change regime by examining the interrelationships between various aspects of human rights climate change and migration Three key themes are explored understanding the concepts of human dignity human rights and human security the theoretical nexus between human rights climate change and migration or displacement and the practical implications and challenges for lawyers and policy makers of protecting human dignity in the face of climate change and displacement The book also includes a series of case studies from Alaska Bangladesh Kenya and the Pacific islands which aim to improve our understanding of the theoretical and practical implications of climate change for human rights and migration This book will be of great interest to scholars of environmental law and policy human rights law climate change and migration and refugee studies

Child Maltreatment in Residential Care Adrian V. Rus, Sheri R. Parris, Ecaterina Stativa, 2017-08-11 This data rich volume reviews short and long term consequences of residential or institutional care for children across the globe as well as approaches to reducing maltreatment Up to date findings from a wide range of developing and developed countries identify forms of abuse and neglect associated with institutionalization and their effects on development and pathology in younger children adolescents and alumni The sections on intervention strategies highlight the often conflicting objectives facing professionals and policymakers balancing the interests of children families and facilities But despite many national and regional variations two themes stand out the universal right of children to live in safety and the ongoing need for professionals and community to ensure this safety Included among the topics Maltreatment and living conditions in long term residential institutions for children Outcomes from institutional rearing Recommendations to improve institutional living Historical political socio economic and cultural influences on Child Welfare Systems Latin American and the Caribbean African Asian Middle Eastern Western and Eastern European countries and the United States of America are presented Child Maltreatment in Residential Care will inform psychology professionals interested in the role of residential care in the lives of children and possibilities for improved outcomes It will also interest social workers and mental health practitioners and researchers seeking evidence based interventions for families adopting children from residential care

The Oxford Handbook of Late Colonial Insurgencies and Counter-Insurgencies Martin Thomas, Gareth Curless, 2023 Beginning with Britain's 1948 declaration of a Malayan Emergency and ending with the 1973 withdrawal of US ground troops from Vietnam this Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires

The Elusive African Renaissance George Klay Kieh, Jr., 2018-09-12 Africa faces several major development challenges that have adversely affected the political and material well being of the majority of the people living there This collection of new essays

rigorously analyzes those frontier development issues including democracy leadership the economy poverty alleviation through microfinance schemes food security education health and political instability and offers prescriptions that differ from the dominant neoliberal solutions

Graphic Mavis Kitcher (Mrs),2014-10-08 **Higher Education for and beyond the Sustainable Development Goals** Tristan McCowan,2019-08-29 This book analyses the role of the university in working towards the Sustainable Development Goals In contrast to the previous Millennium Development Goals higher education is seen to have a crucial role in this new agenda Yet how can the university fulfil these weighty expectations and are the dominant trends in higher education supporting or undermining this vision This book draws on the idea of the developmental university a model characterised by its porous boundaries with society and commitment to teaching research and community engagement in the public interest The author examines case studies from Latin America Africa and other regions to analyse how this model can be revived countering recent trends of marketisation status competition and unbundling The book also considers alternatives to the developmental model drawing on indigenous knowledge systems looking beyond the SDG framework to the creation of a new form of society This timely volume will be of interest and value to those working in the field of sustainable development and to students and scholars of comparative education international development and higher education studies Histories of

Dirt Stephanie Newell,2019-12-20 In Histories of Dirt Stephanie Newell traces the ways in which urban spaces and urban dwellers come to be regarded as dirty as exemplified in colonial and postcolonial Lagos Newell conceives dirt as an interpretive category that facilitates moral sanitary economic and aesthetic evaluations of other cultures under the rubric of uncleanness She examines a number of texts ranging from newspaper articles by elite Lagosians to colonial travel writing public health films and urban planning to show how understandings of dirt came to structure colonial governance Seeing Lagosians as sources of contagion and dirt British colonizers used racist ideologies and discourses of dirt to justify racial

segregation and public health policies Newell also explores possibilities for non Eurocentric methods for identifying African urbanites own values and opinions by foregrounding the voices of contemporary Lagosians through interviews and focus groups in which their responses to public health issues reflect local aesthetic tastes and values In excavating the shifting role of dirt in structuring social and political life in Lagos Newell provides new understandings of colonial and postcolonial urban history in West Africa
