Business Information2 actions

Company name, address, and contact details	Done
Legal structure (corporation, LLC, etc.)	Done
Date of establishment	Done
Business registration and licensing documentation	In Progress/For Follow-Up

Upon review, the vendor's business registration and licensing documentation are last updated in November 2023. Since the vendor recently acquired a smaller manufacturing facility, their current documents are still in processing. This needs to be followed up again next Monday, as the representative already gave us an advance heads-up last week.

To do | Assignee: SafetyCulture Staff | Priority: Low | Due: 22.01.2024 08:37 PST | Created by: SafetyCulture Staff

Follow up on the vendor's business registration and licensing documentation.

Ownership structure and key stakeholdersIn Progress/For Follow-Up

While the vendor's ownership structure is clear, along with its key stakeholders, we have to take into account the recent acquisition and how this affects the roles of the current stakeholders. This will be discussed in next week's all-hands session, so a follow-up is needed by then.

To do | Assignee: SafetyCulture Staff | Priority: Low | Due: 25.01.2024 08:37 PST | Created by: SafetyCulture Staff

Schedule a follow-up discussion on the vendor's ownership and stakeholder structure.

Organizational chartNeeds Attention/For Improvement

Related to the previous items, this needs urgent attention from the vendor. We can't make any initial decisions while this is still pending. Our R&D team, together with our S&T, will prioritize this point of discussion this week with the vendor for any updates and urgent actions.

Also, attached is the vendor's current org chart as of January 16, 2024.

Vendor Due Diligence Report:

Guidelines for Process Safety Acquisition Evaluation and Post Merger Integration CCPS (Center for Chemical Process Safety), 2013-11-13 It is crucial for process safety professionals to be aware of best practices for post merger integration at any level A compilation of industry best practices from both technical and financial perspectives this book provides a single reference that addresses acquisitions and merger integration issues related to process safety Presently there are limited references on how to handle acquisitions in several different CCPS publications and almost no coverage of the post merger integration issue so this reference fills a notable gap in the coverage A Practical Guide to Private Equity Transactions

Geoff Yates, Mike Hinchliffe, 2010-02-18 This overview of a complex and often misunderstood subject takes the reader through the issues that are faced throughout the life cycle of a private equity investment from the identification of an opportunity through the various stages of the transaction and the lifetime of the investment to the eventual exit by the investor The analysis of key documentation and legal issues covers company law employment law pensions taxation debt funding and competition law taking into account recent legal developments such as the Companies Act 2006 the recent emergence of private equity in the UK and the challenges faced by the industry as a result of the financial crisis

Commercial Due Diligence Peter Howson, 2016-05-23 Commercial Due Diligence CDD is about telling the difference between superior businesses and poor businesses which is why this book is a mixture of business strategy marketing analysis and market research However CDD is not about the bland application of analytical techniques it is about understanding how businesses and markets work and what is really important for profits and growth Commercial Due Diligence is written by someone with over 25 years experience of practical strategic analysis who nonetheless has a strong academic grounding For the first time here is a book that deals with the essentials of strategic analysis with the practitioner's eye If you are in the business of formulating company strategy and you want to see how to apply the theories and understand in practical terms what works when and what can go wrong this is the book for you **Mergers & Acquisitions** Maximilian Dreher, Dietmar Ernst, 2022-05-07

Mergers acquisitions are an essential instrument of strategic corporate management for companies of all sizes The success of an M A project highly depends on an optimal transaction preparation fast execution and the experience of all parties involved Due to numerous endogenous and exogenous influences no two M A transactions are alike at the detailed level This book is designed as a practical M A guide for students and professionals alike In addition to dealing with important basics of mergers acquisitions the focus is on a structured and in depth examination of the individual process steps of a typical company sale At various points in this book specific differences between a company sale of medium sized companies mid caps and large companies large caps are discussed in detail **Raising Finance** Paul Barrow, 2004 Raising Finance is an accessible practical guide that will help you find your way through the financial maze of starting up a business expanding it and eventually selling it It is a hands on guide that does not make assumptions about prior knowledge and is

suitable for the average business owner Topics covered include start up financing growth financing equity funding buying a business grooming your business for sale selling the business Raising Finance deals with both the theory and the reality of growing a business Key issues are highlighted by the use of fascinating real life case studies showing you what steps to take to grow fund acquire and sell a business **Due Diligence in China** Kwek Ping Yong, 2013-08-22 A plain English guide that demystifies the business landscape in China from a due diligence point of view Due diligence is crucial to any business deal and thankfully due diligence research has come a long way over the years What used to be a cumbersome time consuming process has been standardized and systemized with generally accepted auditing frameworks and tools such as the all important auditing checklists But when it comes to doing due diligence in China with its opaque regulatory system and byzantine accounting standards all bets are off In this book an acknowledged expert in the field takes you beyond the checklists to arm you with China specific due diligence strategies tools and techniques that go beyond what is typically part of the process Gives a detailed account of why conventional frameworks used in the west simply don't work in China Provides first hand accounts based on the author's years of experience as a private equity professional doing deals in China Reviews in depth the unique differences between corporations and businesses in China and those in the West and their implications for the due diligence process Uses numerous case studies to guide the reader through an entire due diligence process for a firm in China Current Theory and Research in Transforming Organizations Chester A. Schriesheim, Linda L.

Neider, 2016-09-01 Perhaps the best word to describe the past fifteen or so years of the twenty first century is change Spurred on by the massive layoffs and reorganizations that took place during the recessionary period starting in late 2007 to changes in labor demographics technology competitiveness and the very nature of work business transformations have become the norm Even the most stodgy and inflexible organizations universities are beginning to understand the need for radical change if they hope to be sustainable in the future From our perspective as researchers in management we became increasingly interested in new trends and ideas in the field of transforming business and non profit enterprises What are the variables associated with success What determinants may mediate whether or not change efforts actually lead to more sustainable systems And how do such change efforts differ from strategic planning which has obviously been around and used for many years To begin answering such questions this volume attempts to bring together a number of scholars who present conceptualizations and preliminary research insights concerning organizational change and in two of the chapters explore the relationship between change efforts and strategy formulation implementation Value-based Management Of The Rising Sun Yasuhiro Monden, Kazuki Hamada, Kanji Miyamoto, Gunyung Lee, Takayuki Asada, 2006-07-07 This book provides critical information on a wide selection of cases and theories that detail reforms and innovations in Japanese companies in their decade long struggle to recover from the 1991 bubble burst It examines the Japanese concept of business value business restructuring organizational redesign and new business models The book is unique in that the technique and
