Chong, 2021-09-14 An inside look at the politics of book reviewing from the assignment and writing of reviews to why critics think we should listen to what they have to say Taking readers behind the scenes in the world of fiction reviewing Inside the Critics Circle explores the ways critics evaluate books despite the inherent subjectivity involved and the uncertainties of reviewing when seemingly anyone can be a reviewer Drawing on interviews with critics from such venues as

the New York Times Los Angeles Times and Washington Post Phillipa Chong delves into the complexities of the review writing process including the considerations values and cultural and personal anxieties that shape what critics do Chong explores how critics are paired with review assignments why they accept these time consuming projects how they view their own qualifications for reviewing certain books and the criteria they employ when making literary judgments She discovers that while their readers are of concern to reviewers they are especially worried about authors on the receiving end of reviews As these are most likely peers who will be returning similar favors in the future critics fears and frustrations factor into their willingness or reluctance to write negative reviews At a time when traditional review opportunities are dwindling while other forms of reviewing thrive book reviewing as a professional practice is being brought into question Inside the Critics Circle offers readers a revealing look into critics responses to these massive transitions and how through their efforts literary values get made

Classic Book Reviews and Timely Stories Charles J. Scott, 2021-04-07 Classic Book Reviews and Timely Stories By Charles J Scott We all want to learn from perceptive intelligent and experienced individuals we admire so that we may live better lives ourselves Obviously we need good guidance and a positive influence on our thought processes for this purpose That s why we read great books from knowledgeable sources and listen to our role models Because he likes to reflect on the books he has read and incorporate the favorable impressions they have made on him into his daily activities author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion The reviews have provided him with a diving platform or a jumping off point of departure for making sound decisions and evaluating his actions Consequently the resulting stories represent a celebration of the life and times in which he has lived They are meant to celebrate humanity in an otherwise uncertain world throughout the ages
