Regional Convention Notebooks For Kids 2014:

Throw Your Voice Meghanne Barker, 2024-08-15 *Throw Your Voice* is a story of loss and recovery It relates how children placed in a temporary care institution make sense of their situations Moving between a Kazakhstan government children s home Hope House and the Almaty State Puppet Theater Meghanne Barker shows how children and puppets as proxies bring to life ideologies of childhood and visions of a rosy future Sites and stories run in parallel Framed by the narrative of Anton Chekhov s Kashtanka about a lost dog taken in by a kind stranger the author follows the story s staging at the puppet theater At Hope House children find themselves on a path similar to Kashtanka dislodged from their first homes to reside in a second The heart of this story is about living in displacement and about the fragile intimacies achieved amidst conditions of missing Whether due to war migration or pandemic people get separated from those closest to them *Throw Your Voice* examines how strangers become familiar and how objects mediate precarious ties She shows how people use fantasy to mitigate loss

SADC Gender Protocol 2014 Barometer Morna, Colleen Lowe,Dube, Sifiso, 2014-10-25 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With one year to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2014 Barometer provides a wealth of updated data against which progress will be measure by all those who cherish democracy in the region The world and SADC is also looking to the future with the post 2015 agenda Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 *Young Children in the World and Their Rights* Adrijana Višnjić-Jevtić, Alicja R. Sadownik, Ingrid Engdahl, 2021-04-20 This book provides different perspectives on the concept of children s rights including policy educational and children s perspectives It examines how the crucial ideas of the Convention on the Rights of the Child are respected and implemented in 14 countries in five regions of the world It looks at early childhood education children s participatory rights and at how these rights are promoted and guaranteed in different countries It explores the professional practice of education and its complexities challenges and dilemmas as well as the role of play and of listening and participation The book advocates children s rights today arguing for its vital importance in the best interests of the children In doing so it furthers the understanding of children s rights and spreads knowledge about the Convention as a means of celebrating its 30th anniversary The UN Convention on the Rights of the Child UNCRC comprises the potential to change the lives of children to the very best It may exalt children from the position of marginalized citizens to the centre of policies all over the world Even though the concept of children s rights is omnipresent the respect for children s rights must be discussed While the Convention brings the new perspective of children as citizens to the world there are still challenges in its application The

book interrogates challenges in understanding and applying children rights and offers possible answers to these challenges The ratification process itself does not guarantee that children s rights are respected While all adults should take responsibility for implementing the UNCRC in everyday life Early Childhood Education should give opportunities for children to learn and live their rights Contemporary legal issues in the southeast asian region Steve Ngo,Jose I. dela Rama, Jr.,Yanti Fristikawati,Ratnaria Wahid,Nik Muhammad Syaamil Nik Ismail,Kenny Manurung,Mary Kimberlie C. See,Natalia Yeti Puspita,Garry Gumelar Pratama,Agustinus Supriyanto,V. The Rights of the Child in a Changing World Olga Cvejić Jančić,2015-11-17 This book deals with the implementation of the rights of the child as enshrined in the Convention on the Rights of the Child in 21 countries from Europe Asia Australia and the USA It gives an overview of the legal status of children regarding their most salient rights such as the implementation of the best interest principle the right of the child to know about of his her origin the right to be heard to give medical consent the right of the child in the field of employment religious education of children prohibition of physical punishment protection of the child through deprivation of parental rights and in the case of inter country adoption In the last 25 years since the Convention on the Rights of the Child was adopted many States Parties to the Convention have made great efforts to pass legislation regulating the rights of the child in their commitment to the improvement of the legal status of the child However is that enough for any child to live better safer and healthier What are the practical effects of this international as well as many national instruments in the everyday life of children Have there been any outcomes in terms of improvement of their status around the world and improvement of the conditions under which they live since the Convention entered into force In tackling these questions this work presents a comparative overview of the implementation of the Convention and evaluates the results achieved Social Change in the Gulf Region Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political

spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades. Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation, timeless never changing, deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change, this is clearly not the case and the region is not immune to the inevitable forces of social change. There is no doubt today that the social change sweeping the Gulf has been profound, affecting almost every aspect of life in the Gulf societies. This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region. Through these chapters, the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions, magnitudes and relevant policy options. It also considers how COVID 19 is affecting the lives of the people in the Gulf. This book bridges gaps in the understanding of the rapid pace of social change in the Gulf, offering practical solutions for policy interventions. It is of interest to scholars and students in Middle Eastern studies, specifically as well as sociology, media studies, migration studies and educational policy.

Raising a Nation Elliot Haspel, 2025. Thanks to a history of neglect, child care in America is expensive, scarce and of questionable quality. Yet too often the response is not a push for governmental action but a derisive "why should I pay for your child?" At best, our leaders make the case for child care on bloodless economic grounds: we need a place to put the kids so parents can work. The problem, I believe, is that we skipped a step, a step so fundamental that it has torpedoed the chances of winning an effective child care system. Despite decade after decade of pain that crosses geographic and ideological borders, we have never established that good child care belongs among the pantheon of American values. Because of what it means for the nation, that is exactly where child care belongs. *Raising A Nation* offers a new framework for thinking about a comprehensive, inclusive child care system, one that supports families in all their diversity, whether they want to utilize a licensed child care program, family member or have a parent be the primary child care provider. I posit 10 distinct yet interlinking cases for why every American, whatever their political affiliation and whether or not they have young children or any children at all, has skin in the game when it comes to the country's child care system. This groundbreaking book opens up conversations that can finally push child care from being seen as a private responsibility to being seen as an essential part of the American social fabric.
