PAPER II Precise Writing Essay Writing Comprehension *Gender Inequalities, Sexual and Reproductive Health, and Sustainable Development in the Global South* Praveen Kumar Pathak, Shah Md Atiqul Haq, Niharika Tripathi, Tizta Degfie, 2025-08-22

Investing in Sexual and Reproductive Health SRH has been recognized as one of the prudent strategies to ensure the well being of girls and women and also to advance broader social and economic development for the nations and future generations Moreover it provides an excellent opportunity for millions of girls and women to make an informed choice about the number timing and spacing between births experience safe motherhood deliver healthy newborns and have a safe and satisfying sexual life However several young girls and women encounter an array of structural barriers patriarchy and unfavorable gendered norms practices including child marriage son preference gender based violence against women female foeticide lower access to economic property rights restriction of mobility etc that hinder their socioeconomic progress and health status Discourse on leveraging gender equity and reproductive health could be further strengthened with the involvement of young boys and men Given that restrictive gender norms affect both men s and women s reproductive health potential therefore integrating young boys and men along with young girls and women shall be a comprehensive strategy to ensure equitable quality and sustainable reproductive health among people **Cumulated Index Medicus**, 1994 *The Fourth Industrial Revolution and the Recolonisation of Africa* Everisto Benyera, 2021-04-29

This book argues that the fourth industrial revolution the process of accelerated automation of traditional manufacturing and industrial practices via digital technology will serve to further marginalise Africa within the international community In this book the author argues that the looting of Africa that started with human capital and then natural resources now continues unabated via data and digital resources looting Developing on the notion of Coloniality of Data the fourth industrial revolution is postulated as the final phase which will conclude Africa s peregrination towards recolonisation Global cartels networks of coloniality and tech multinational corporations have turned big data into capital which is largely unregulated or poorly regulated in Africa as the

continent lacks the strong institutions necessary to regulate the mining of data Written from a decolonial perspective this book employs three analytical pillars of coloniality of power knowledge and being Highlighting the crippling continuation of asymmetrical global power relations this book will be an important read for researchers of African studies politics and international political economy The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003157731> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
