Non-Verbal Reasoning

Read the following carefully:

1. Do not open or turn over the page in this booklet until you are told to do so.
2. This is a multiple-choice test in which you have to mark your answer to each question on the answer sheet. You should mark only one answer for each question.
3. Draw a firm line clearly through the rectangle next to your answer like this . If you make a mistake, rub it out as completely as you can and put in your new answer.
4. There are two sections in this test. Each section starts with an explanation of what to do, followed by a worked example with the answer marked on the answer sheet. Each section also contains some practice questions.
5. Be sure to keep your place in the correct section on the answer sheet. Mark your answer in the box that has the same number as the test question.
6. You may not be able to finish all the questions, but try to do as many as you can. If you cannot do a question, do not waste time on it but go on to the next. If you are not sure of an answer, choose the one you think is best.
