Creating Holy Spaces Delia Halverson, Karen Appleby, 2012 Worship should be about more than just the ears Worship is enhanced when we are experiencing more than simply the spoken read and sung word At its best worship invites in the other senses as well especially the eyes Delia Halverson and Karen Appleby have written *Creating Holy Spaces* to help you make worship an exciting and meaningful visual experience The book contains suggestions for worship visuals tied to each Sunday of all three years of the Revised Common Lectionary These visuals can be assembled on the altar placed elsewhere in the sanctuary or photographed to be used for projection The weekly entries describe the readings for that Sunday and suggest visuals appropriate to each creating a multisensory experience of worship bound up with the day's lectionary theme Also the reader will find three appendixes that help with the planning and execution of visuals for each Sunday Thanks to a topical index and a scripture index it is easier for those not using the lectionary to also take advantage of the great ideas found here Let Halverson and Appleby show you how to create balanced worship experiences each Sunday while inspiring you to create your own unique holy spaces
