**George H. Stalcup**

## **Pentagon Report September 30 2006:**

**Financial Report of the United States Government** , *Dod Business Transformation* , *Approaches to Audit of Reconstruction and Support Activities in Iraq* United States. Congress. House. Committee on Armed Services,2008 *DOD business systems modernization billions continue to be invested with inadequate management oversight and accountability : report to congressional requesters.* , *DOD's High-Risk Areas: Efforts to Improve Supply Chain Can Be Enhanced by Linkage to Outcomes, Progress in Transforming Business operations, and Reexamination of Logistics Governance and Strategy* ,2007 **DOD Business Systems Modernization** United States. General Accounting Office,2004 Defense Contract Audit Agency United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs,2011

**Securing, Stabilizing, & Rebuilding Iraq: GAO Audit Approach & Findings** , Rescuing America Richard G. Clemens,2008-04 John F Kennedy said Let us not seek the Republican answer or the Democratic answer but the right answer In that spirit Richard G Clemens wrote Rescuing America The Bipartisan Path which discusses a wide range of domestic policy issues facing the federal government in a nonpartisan way These issues include the demographic trends resulting from the rapidly growing aged population Social Security Medicare the US trade deficit the Iraq war the mushrooming national debt and tax and fiscal policy Clemens identifies leaders of both political parties in Congress who are striving to follow the bipartisan path to find solutions With the national debt rising at the rate of 40 million each hour Rescuing America is a compelling read for anyone who is concerned about the unsustainable trajectory of mounting federal spending and the potential financial catastrophe that our nation faces in the years ahead *Limitations in DOD's Evaluation Plan for EEO Complaint Pilot Program Hinder Determination of Pilot Results* George H. Stalcup,2008-11 In Aug 2004 the Sec of Def authorized the U S A F the Def Logistics Agency and the Def Commissary Agency to implement an equal employ opportunity EEO complaint pilot program to reengineer the EEO complaint process to reduce complaint processing time and reinforce accountability This evaluation of the pilots had these objectives describe the key aspects of the EEO process that were tested by the pilot program present data DoD reported from the pilot program evaluate improve DoD made to its evaluation plan describe ADR processes used in the pilot programs compared to other ADR processes reported by fed agencies and provide lessons learned from the pilot program that can inform future EEO complaint process **dod travel improper payments, fiscal year 1006 reporting was incomplete and planned improvement efforts face challenges** , **Military Base Closures: Opportunities Exist to Improve Environmental Cleanup Cost Reporting & to Expedite Transfer of Unneeded Property** ,2007 While expected environmental cleanup costs for unneeded property arising from the 2005 BRAC round are not yet fully known Department of Defense DOD data indicate that about 950 million will be needed to clean up these bases adding to the estimated 13 2 billion total cleanup cost for the prior rounds Although DOD s cleanup program has matured compared to prior BRAC rounds there are still many unknowns and the cleanup estimate for the 2005 round should

be considered preliminary In fact environmental cleanup costs are likely to increase as more intensive environmental investigations are undertaken additional hazardous conditions are discovered and future reuse plans are finalized Furthermore Congress does not have full visibility over the total cost of DOD s BRAC cleanup efforts because none of the four reports DOD prepares on various aspects of environmental cleanup present all types of costs past and future to complete cleanup at each base Compiling a complete picture of all costs requires extracting information from multiple reports as GAO has done to estimate the total cleanup cost for the four prior BRAC rounds More complete and transparent cost information would assist Congress in conducting its oversight responsibilities for this multibillion dollar effort      **Securing, Stabilizing, & Rebuilding Iraq: Key Issues for Congressional Oversight ,      DOD business systems modernization important progress made in establishing foundational architecture products and investment management practices, but much work remains : report to congressional committees.** United States Government Accountability Office,2005

**Defense Logistical Support Contracts in Iraq and Afghanistan** Valerie Bailey Grasso,2010-10 This report examines DoD logistical support contracts for troop support services in Iraq and Afghanistan administered through the U S Army s Logistics Civil Augmentation Program LOGCAP as well as legislative initiatives which may impact the oversight and management of logistical support contracts for the delivery of troop support services LOGCAP is an initiative designed to manage the use of civilian contractors that perform services during times of war and other military mobilizations Contents 1 Intro 2 Major Developments AF Contract and Logistics Civil Augmentation Program 3 Background Awarding of Defense Contracts 4 Potential Oversight Issues Contract Oversight and Admin Use of Overhead Fees Gansler Comm      Rumsfeld's Wars Dale Roy Herspring,2008 A highly critical but nonpartisan assessment of the controversial former Defense Secretary as told by one of the leading experts on civil military relations Focuses on Rumsfeld s notoriously domineering leadership style flawed vision for transforming the military and failures in the Iraq War      **Iraqi Force Development** Anthony H. Cordesman,Adam Mausner,2007-09-14      *Oversight of Gulf Coast Hurricane Recovery* President's Council on Integrity and Efficiency (U.S.),      Examining the Effectiveness of U.S. Efforts to Combat Waste, Fraud, Abuse, and Corruption in Iraq United States.
