## **Piknik Na Obochine Arkady Strugatski En Boris Strugatski:**

**Roadside Picnic** Boris Strugatsky, Arkady Strugatsky, 2014-06-26 The Strugatsky brothers poignant and introspective novel of first contact that inspired the classic film *Stalker* Red Schuhart is a stalker one of those strange misfits who are compelled by some unknown force to venture illegally into the Zone and in spite of the extreme danger collect the mysterious artefacts that the alien visitors left scattered around His life is dominated by the Zone and the thriving black market in the alien products Even the nature of his daughter has been determined by the Zone And it is for her that Red makes his last tragic foray into the hazardous and hostile depths Readers can't stop thinking about *Roadside Picnic* A story of a horrific yet fascinating place a story of an ordinary and unlikable man just trying to get by a philosophical interlude on humanity and its significance or lack thereof of greed and wonder and the fever dream of the soul scream It still speaks to me Goodreads reviewer Such an intriguing setting for me such an unusual take on alien interaction Goodreads reviewer It is a thought provoking hard to put down masterpiece most probably the best introduction to Soviet science fiction A must read for any sci fi fan Goodreads reviewer A fantastic and creative exploration of what first contact might be like Goodreads reviewer The tone of the book is akin to that of some noir works dark gritty getting darker and grittier as the tale wears on Like many great books the meaning of the ending is left up to the reader Goodreads reviewer A beautifully depressive and wonderfully atmospheric science fiction novel about life on Earth after an alien Visitation that leaves humans with more questions than answers Once I started reading it today I couldn't stop The story captured my heart and held my attention Goodreads reviewer This is the sort of book that you read and then immediately feel the need to lend it to someone you know so that they can experience and enjoy it themselves I was truly astonished by both the poignancy and the deceptive simplicity of this relatively short novel Goodreads reviewer
