life and by excerpting from personal correspondence one learns the widow's true priority was not dissipating her fortune on the mansion in San Jose but endowing a hospital to eradicate a dread disease Sarah Winchester has been exploited for profit for over a century but *Captive of the Labyrinth* finally puts to rest the myths about this American heiress and in the process uncovers her true legacies

Crow,2016-07-26 This book examines Southern Gothic a term that describes some of the finest works of the American Imagination But what do Southern and Gothic mean and how are they related Traditionally seen as drawing on the tragedy of slavery and loss Southern Gothic is now a richer more complex subject Thirty five distinguished scholars explore the Southern Gothic under the categories of Poe and his Legacy Space and Place Race Gender and Sexuality and Monsters and

Voodoo The essays examine slavery and the laws that supported it and stories of slaves who rebelled and those who escaped Also present are the often neglected issues of the Native American presence in the South socioeconomic class the distinctions among the several regions of the South same sex relationships and norms of gendered behaviour This handbook covers not only iconic figures of Southern literature but also other less well known writers and examines gothic imagery in film and in contemporary television programmes such as True Blood and True Detective
