Spiritual Gifts Jennifer Anne Cox,2018-01-18 Spiritual Gifts A Christ Centered Perspective is just that centered on Christ It provides a new perspective on spiritual gifts seeing the person and work of Christ as the foundation for the gifts of the Spirit The coming of Jesus into the world opens the way for the whole people of God to be indwelt by the Holy Spirit and to share in God s work in the world The book takes a broad New Testament approach to exploring the gifts carefully examining the meaning of the gifts by considering the Gospels Acts and the epistles The focus is on seeing each gift as an extension of what Jesus did in his ministry The gifts of the Spirit equip the church to carry on Jesus work Every gift is a means of proclaiming the gospel God gives his gifts with two purposes in mind to build the church by bringing people to Christ and to build up the church by maturing each believer Consequently Pentecostals Charismatics and conservative Christians alike must embrace spiritual gifts because God desires to transform the world through his equipped people

The Unflawed Leader Stan O. Gleason,2022-06-10 The Unflawed Leader is a fresh look at the ultimate leader Jesus Christ in real time Gleason situates Jesus the only perfect leader the world has ever seen in challenging leadership scenarios all leaders face The only difference is that Jesus brought no unresolved emotional issues habits hurts hang ups baggage scars old wounds or dysfunction to his leadership team He never deceived broke trust pitched a fit had a colossal meltdown manipulated betrayed confidence or employed guilt motivation to get his way It was said of him that he did all things well Books aplenty have been written about church leaders who lead with a limp lead with pain lead on empty and lead a purpose driven church But we ve known good humble church members who walked with a limp followed in pain obeyed on empty and were driven more like cattle than led like sheep If you desire to create a culture of Christlike wellness in your ministry context then this work is a must read for you
