Ambush at Central Park Mark Bulik,2023-04-25

A compelling action packed account of the only officially sanctioned I R A attack ever conducted on American soil

In 1922 three of the Irish Republican Army s top gunmen arrived in New York City seeking vengeance

Their target Cruxy O Connor a young Irishman who kept switching sides as revolution swept his country in the wake of World War I

Cruxy s last betrayal dealt a stunning blow to Ireland s struggle for independence

Six of his IRA comrades were killed when he told police the location of their safe house outside Cork

A year later the IRA gunned him down in a hail of bullets before a crowd of horrified New Yorkers at the corner of 84th Street and Central Park West

Based primarily on first hand accounts most of them never before published

Ambush at Central Park is a cinematic exploration of the enigma of Cruxy O Connor

Was he really a decorated war hero who became a spy for Britain

When he defected to the IRA did his machine gun really jam in a crucial attack

When captured did he give up his IRA comrades only under torture

Was he a British spy all along Or was he pursuing a decades old blood feud between his family and that of one of his comrades

A longtime editor at The New York Times author Mark Bulik delved through Irish government archives newspaper accounts census data and unpublished material from the families of the main actors

Together they add to the sensational story of a rebel ambush a deadly police raid a dinner laced with poison a daring prison break a boatload of tommy guns on the Hoboken waterfront an unlikely pair of spies who fall in love and an audacious assassination plot against the British cabinet

Gravely wounded and near death Cruxy refused to cooperate with the detectives investigating the case

And so the spy who stopped spying and the gunman who stopped shooting became the informer who wouldn t inform even at death s door

Here is a forgotten chapter of Irish and New York history the story of the only officially authorized IRA attack on American soil

Pike's Pyramid Michael Tatlow,2018-10-01

Blarney and Alex Pike husband and wife network marketers for American based Argo become embroiled in a menacing predicament when their American friend and fellow networker Jack Sussoms is murdered in the Czech Republic

The situation quickly escalates into a melting pot of murder graft corruption and terrorism the scale of which Blarney and Alex have only just begun to uncover

Can Blarney and his skilful friends save the day

The first novel in a series of four gripping crime thrillers that feature heroic crime buster and family man Blarney Pike and his talented companions in the remote but extraordinary town of Stanley Tasmania
