Torres, 2014-04-24 This monograph addresses a perceived lack of clarity in the recent turns toward theological interpretation presenting an understanding of theological interpretation that is highly eclectic *Playing Games in Nineteenth-Century Britain and America* Ann R. Hawkins, Erin N. Bistline, Catherine S. Blackwell, Maura Ives, 2021-11-01 A vital part of daily life in the nineteenth century games and play were so familiar and so ubiquitous that their presence over time became almost invisible Technological advances during the century allowed for easier manufacturing and distribution of board games and

books about games and the changing economic conditions created a larger market for them as well as more time in which to play them These changing conditions not only made games more profitable but they also increased the influence of games on many facets of culture Playing Games in Nineteenth Century Britain and America focuses on the material and visual culture of both American and British games examining how cultures of play intersect with evolving gender norms economic structures scientific discourses social movements and nationalist sentiments

[The Games People Play](#) Robert Ellis,2014-04-21 In The Games People Play Robert Ellis constructs a theology around the global cultural phenomenon of modern sport paying particular attention to its British and American manifestations Using historical narrative and social analysis to enter the debate on sport as religion Ellis shows that modern sport may be said to have taken on some of the functions previously vested in organized religion Through biblical and theological reflection he presents a practical theology of sport s appeal and value with special attention to the theological concept of transcendence Throughout he draws on

original empirical work with sports participants and spectators The Games People Play addresses issues often considered problematic in theological discussions of sport such as gender race consumerism and the role of the modern media as well as problems associated with excessive competition and performance enhancing substances As Ellis explains Sporting journalists often use religious language in covering sports events Salvation features in many a headline and talk of moments of redemption is not uncommon Perhaps somewhere beyond the cliched hyperbole there is some theological truth in all this after all *Dimensions in Learning English i* , **Outing; Sport, Adventure, Travel, Fiction** ,1885 **Sport in the**
