### **2005 Year**

**Book Australia ,2004    2002 Year Book, Australia ,    Match-Fixing in International Sports** M.R. Haberfeld,Dale

Sheehan,2013-11-23 Match fixing has become a widespread international problem in recent years It includes everything from bribery of players to putting undue influences on the owners of the soccer clubs managers coaches and others who have the ability to affect the final scores In addition match fixing spills over into the arena of illegal betting in person and online which creates a host of additional organized crime opportunities including human trafficking prostitution drugs extortion and even terrorism This timely volume brings together international contributions with an aim is to increase awareness of the problems associated with match fixing and the degree to which key agents in sport particularly young people are vulnerable The contributions are based on INTERPOL s Global Experts Meeting in Singapore in November 2012 which brought together key speakers to discuss issues surrounding match fixing and how to combat corruption in football through channels of education The purpose of this meeting was to identify ways that academia can play a role in developing and implementing training modules and academic courses including certification procedures to prevent match fixing and develop lines of study at all educational levels This unique work reflects the gravity of the situation around the world together with possible solutions

**Yearbook Australia ,    Annual Catalogue of Commonwealth Publications** Australian Government Publishing

Service,1981    **Management of Sports Development** Vassil Girginov,2009-06-04 Management of Sports Development is the first book to offer a holistic approach to a field which has been growing in importance for some years Although many books exist on various aspects of development never before has there been a text which addresses the process of development in such a comprehensive manner This book offers everything needed to develop an understanding of the process of sports development The book provides comprehensive coverage of the major themes in the process of sports development with contributions from an internationally renowned author team These themes include models of sports development funding of sports development mega sporting events networks and partnerships in sports development sports development and social change It is also supplemented with a dedicated accompanying website featuring updates and extra material This accessible book is essential reading for students or lecturers in the field of sports development and is set to be a vital contribution to the literature in this area

**The War on Drugs in Sport** Vanessa McDermott,2015-10-23 This book is an

innovative and compelling work that develops a modified moral panic model illustrated by the drugs in sport debate Drawing on Max Weber's work on moral authority and legitimacy McDermott argues that doping scandals create a crisis of legitimacy for sport governing bodies and other elite groups This crisis leads to a moral panic where the issue at stake for elite groups is perceptions of their organizational legitimacy The book highlights the role of the media as a site where claims to legitimacy are made and contested contributing to the social construction of a moral panic The book explores the way regulatory responses in this case anti doping policies in sport reflect the interests of elite groups and the impact of those responses on individuals or folk devils The War on Drugs in Sport makes a key contribution to moral panic theory by adapting Goode and Ben Yehuda's moral panic model to capture the diversity of interests and complex relationships between elite groups The difference between this book and others in the field is its application of a new theoretical perspective supported by well researched empirical evidence
