during the bloody uproar in the sixties Omnia vincit amor Love conquers all the saying goes But not our Dangerous Obsessions How to See Beauty in Life North Wood,2016-02-15 The ability to experience beauty in life is normal and natural Unfortunately few people are able to experience it due to the difficulties and personal issues in our lives This book is about recognizing these problems and providing solutions so that life can be experienced in its natural and most beautiful state Music is beauty I have been a professional musician most of my life therefore I have a great well of information to draw from This book will open your mind to the unlimited sources of beauty available by taking you through an intensive journey into beliefs the inner world of perception the nature of reality and the nature of change all done through unique methods and philosophies I have had two major open heart surgeries the most recent one while writing this book My aorta ruptured because of a weakness caused by the first surgery and almost killed me requiring extensive recovery time Having gone through this I decided to let the words in this book help me by approaching it as if it were written by someone else With the help this book has given me I feel confident that it can help others as well I have chosen subjects that I believe are the most important to gaining personal satisfaction finding peace and placing readers in a state of mind that enables them to experience beauty in life I hope you will enjoy it **Armageddon at Maidan** Vasyl Baziv,2016 A novel requiem based on real stories heroes and monsters This is the first fictional verbal portrayal of the galactic scale events in Maidan in the heart of Kyiv Ukraine that have left their mark on world history From this apocalyptic perspective angels and demons in human flesh operate on the 21st century stage of Maidan a sacral place of the Earth The protagonist of the novel Yarko feels that he can no longer stay at home as he watches the capital of his country being absorbed by the revolution on TV He takes a leave of absence at the institute where he works as a researcher and leaves his family rushing at dawn to catch a train to Kyiv Meanwhile on the opposite end of the country in Donetsk a gang which includes the current president of Ukraine gathers for a meeting In Maidan Yarko serves as one of the architects of a set of barricades because the chances of the Republic of Liberty being attacked grow daily Despite a severe frost he lives in a tent like tens of thousands of rebels Before the climax of this conflict a Heavenly Hundred of peaceful unarmed protesters will have given their lives for the Revolution and thousands of others would suffer in their defense of freedom and the independence of Ukraine The citizens of the Free World will feel as if they are at the brink of a bloody Armageddon when they hold this requiem book in their hands The Blessing of the Bikes & Other Life-Cycles Anthony Labriola,2015-04-30 The Blessing of the Bikes Other LifeCycles is a themed collection in three parts that catalogues and values urban life It chronicles the way we imagine and reimagine the city In so doing the poems become urban praise songs What would we miss if it were all to go missing Even if we left the place behind for new cities or the wilderness what would always remain dear to us What would our lives be without the places we have known including public and private spaces These poems measure and chart the value of our neighbourhoods and the spirit of the city that we wish to preserve By meditating on our storied past the poems in The Bless of the Bikes Other LifeCycles measure

and chart the value of where we live and consider pathways to the city's future *Handful of Sand* Steven P. Stamatis, 2015-10-17 *Handful of Sand and Other Poems* is a collection of images and feelings that linger in the conscience and refuse to go away They evoke emotions the author is compelled to share with the reader in understandable language without obscurity plainly deliberately Whether it's observing an ant watching a rocker sway to the breeze or simply taking a train to the city these poems help to grasp a deeper meaning in seemingly routine actions and incidents Many insist we evolve from profound life altering events that lay their mark on us However it's the unpretentious simple occurrences throughout the years that shape who we are it's the unimpressive handful of sand we overlook that holds a million lives

Invisible Mending Labriola, Anthony, 2015-03-12 A themed poetry collection a kind of since an evening to get in touch with other souls and the world they once lived in Yet as a linked collection the poems trace the arc of a life from birth to death from childhood to old age and move towards a spiritual journey in art Our lives seem to be vanishing acts perfected from birth to death The trip also takes us within There are joys and sorrows a sense of delight and also grief The collection suggests that the real horror is losing a loved one But while the poems keep an eye on death the point is life even the contemplation of a life beyond death Certainly there is remembrance a time to mend our wounds both visible and invisible *Invisible Mending* tries to connect with the joy and grief that binds us all *Invisible Mending* consists of three parts I *Invisible Mending* II *Walking Shadows* and III *Mending Time* The title of Part I *Invisible Mending* refers to a technique used to patch fabric and leather so that the wound seems to disappear My father used invisible mending in his trade plied in the late 40's after World War II but abandoned it when he came to Canada in 1952 Part II *Walking Shadows* is a poem sequence dealing with the life in the theatre and life as a play The poor players that strutted and fretted their hour on the stage are gone but their shadows remain in life and theatrical memory Part III *Mending Time* is a suite of linked poems tracing the spiritual quests of artists writers and seekers who are searching for their true worth in the world *Revolution Time* Paul G.
