## **Spring S Beginning The Season S Series Volume 1:**

The Springs Collection: Volume One Elena Aitken, 2015-03-09 When you're looking for a little escape to the rugged mountain landscape that's as beautiful as it is wild, unwind at The Springs. With the Springs resort set to open in mere weeks, Trent Harrison needs to stay focused and see to every detail. The last thing he needs is a complication, even one that comes in the form of sexy bar owner Samantha Burke. Samantha loves her quiet, close-knit community of Cedar Springs just the way it is. The addition of a fancy new resort, as well as its arrogant owner, and the change they're both sure to bring is certainly not welcome. With Trent pushing his way into her town and her life, Samantha's resistance to him wavers in the face of the passion and heat they share. Change is inevitable, but can either of them drop their guard long enough to accept it when there's so much on the line? The last thing Officer Rhys Anderson expected to encounter at the end of his quiet Sunday afternoon shift was a beautiful woman stranded by the side of the road in his hometown of Cedar Springs. After that one chance meeting, and despite the fact that Rhys knows there's something Kari's hiding, he can't keep his mind off her. All Kari Fox wanted to do was run as far away from her life and her controlling ex-husband as possible. She never planned to end up stuck in a small mountain town, and she definitely never expected to fall for the handsome police officer who helped her. With a good job at the Springs resort, good friends, and a steamy new relationship, things are finally beginning to go right, and Kari might even be starting to believe that she has a future in Cedar Springs. But Kari has secrets. Secrets that threaten to destroy everything she's trying to create, including her relationship with Rhys. As the truth comes to light, will their connection be strong enough to withstand the truth of her past? When Kylie Wilson receives a mysterious invitation for an all-expenses-paid trip to a tropical all-inclusive resort, there's no doubt in her mind who it came from: Marcus Stone, the only man she thought she loved. The same man who'd promised her forever and then promptly left town to pursue his dream without so much as a backward glance. Kylie owes it to herself to take a chance, and despite her conflicted feelings, she decides to risk her heart again and is soon jetting toward the island of Eden, and the man she hopes will finally fill the void in her life. But when she arrives, and it's not Marcus at all, but his much sexier twin brother, Malcolm, Kylie's more confused than ever. But on an island that is supposed to know exactly what you need, can Kylie open her body, mind, and more importantly, her heart, to the idea that sometimes you have to take second glances?

**Once Upon a Summer (Seasons of the Heart Book #1)** Janette Oke, 2010-05-01 Josh Jones realizes his family isn't typical, but it's the only life he's ever known. Aunt Lou, Gramps, Uncle Charlie, Grandpa—they all have shaped the young man he has become. But as he grows into manhood, Josh begins to face important questions about life, love, and faith. It is exact and patient in its probing for nuance and detail but also bold wide and original in its scope It combines the study of Virgil with the study of attitudes to nature throughout antiquity Blending literature with history and in the case of Lucretius philosophy it offers a vision and an interpretation of the culture of the 1st century BC as a whole It argues that Lucretius and Virgil affected a revolution in Western sensibility claiming that a book about poetry should be a book about life it combines scholarship and precision with a sense of the importance of literature and its capacity to enhance our understanding of our past and of ourselves
