

Coming of Age

Visual Prompt: What comes to mind when you hear the phrase “coming of age”?

Unit Overview

Ninth grade marks many important transitions, beginning the experiences of becoming an adult. In this unit, you will explore the theme of “coming of age” and examine how writers in a variety of texts use stylistic choices to create the voices of characters who are going through life-changing experiences. Along the way, you will study a novel independently, conduct interviews, analyze arguments regarding the value of postsecondary education, and examine the complex relationship between an author’s purpose, his or her audience, and the ways in which he or she appeals to readers. By the end of the unit, your academic “coming of age” will be marked by a heightened understanding of voice, appeals, and persuasive techniques.
