SEAL James Reece From the seriously good Lee Child 1 New York Times bestselling author Jack Carr In 1980 a freshman  
congressman was gunned down in Rhode Island sending shockwaves through Washington that are still reverberating over  
four decades later Now with the world on the brink of war and a weakened United States facing rampant inflation political  
division and shocking assassinations a secret cabal of global elites is ready to assume control And with the world s most  
dangerous man locked in solitary confinement the conspirators believe the final obstacle to complete domination has been  
eliminated They re wrong From the firms of Wall Street to the corridors of power in Washington DC and Moscow secrets  
from the past have the uncanny ability to rise to the surface in the present With the odds stacked against him James Reece is  
on a mission generations in the making Unfortunately for his enemies the former SEAL is not concerned with odds He is on  
the warpath And when James Reece picks up his tomahawk and sniper rifle no one is out of range Truth ,1883
