Do You Solemnly Swear? Dr Lin Wilder, 2015-10-27 What if your former girlfriend decides to use her 6 year old daughter to punish you for breaking up with her How do you prove that you are innocent of the worst case of sexual perversion against a child Is it possible to refute the lies of a beautiful seemingly innocent little girl When Gabe McAllister decorated former Marine and respected Texas State Trooper walked out of his condo in west Houston on a Tuesday morning to head to a meeting of the newly formed task force of the DEA Texas State Police and Border Patrol he found five Houston

cops waiting to collar him for the rape of 6 year old Annie Bridges His next several days and weeks are a blur as he realizes belatedly that he has no chance against his diminutive accuser his implicit trust in the fairness of the justice system shattered McAllister lands in the Huntsville prison sentenced to 3 counts of 20 to life sentences In the sequel to *The Fragrance Shed By A Violet* Lin Wilder embroils characters in another complex web of dysfunctional family deceit revenge and the politics of courtrooms Pulitzer Prize reporter Kate Townsend s front page story for her newspaper *The Houston Tribune* about a juror the foreman of McAllister s jury stepping forward to speak about the case and her concern about why McAllister was not granted a retrial galvanizes Houstonians once again Had a Houston jury convicted another innocent person Dr Lindsey McCall former inmate at Huntsville and now Medical Director at the Prisons and Rich Jansen Chief Warden at the prisons are faced with the all too familiar question of just how involved should they get as Townsend begins to dig into the background of little Annie Bridges and her mother When Townsend reveals the details of her new investigative series *A Nation of Law The Dark Side* Jansen is more than intrigued Advanced Review <http://www.selfpublishingreview.com> 2015-09 do you solemnly swear by lin wilder lent *Lead Sister: The Story of Karen Carpenter* Lucy O'Brien, 2023-03-02 When the Carpenters first toured Japan a journalist mistakenly referred to Karen as the lead sister of the band This designation stuck and Karen liked it so much that she had a T shirt custom made with the slogan which she wore while drumming on the band s 1976 world tour The term also sums up the approach of this biography a celebratory re evaluation of a pioneering woman As one of the biggest selling acts of the 1970s sibling duo Richard and Karen Carpenter created lush soundscapes of melodic pop producing global hits like *We ve Only Just Begun* *Top of the World* and *Close to You* However though Karen is rightly recognised as one of the greatest singers in popular music the tragedy of her early death in 1983 at the age of just thirty two often overshadows all that she achieved She has long been portrayed as a victim controlled by her family and exploited by the music industry This book now seeks to reframe her life and legacy Through fresh interviews with friends musicians and co workers bestselling author Lucy O'Brien s fascinating profile explores Karen s contributions in the studio as a singer drummer arranger and producer as well as tracing the roots of the Carpenters sound and of Karen s distinctive vocals Forty years after her death it also honours the lead sister s achievements in the face of her struggle with anorexia as viewed through the lens of new perspectives on eating disorders and mental health Yet despite the chronic nature of her illness Karen Carpenter was above all a creative dedicated and assured artist whose music delivers an emotional resonance that has transcended generations and that is how she should be remembered *Behind the Mask of Facebook* Ryan Hartwig, Kent Heckenlively, 2021-08-17 The author was hired by Cognizant as a content moderator for Facebook As time went by he discovered that Facebook was systematically suppressing free speech Fighting back he chronicles his actions as a first step to learning how to confront and defeat tyranny **Weekly World News** , 2004-06-14 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world s only reliable news source since

Cause For Elimination Marla A. White, 2022-10-10 Reclaiming her life after a devastating riding accident equestrian Emily Conners world shatters again when she discovers her friend and boss lying in a stall with a smashed skull Now jobless and with a handsome cop undercover investigating the case she is torn between wanting the killer found and keeping her own secrets safe Detective Justin Butler always gets his killer but this victim has a stampede of enemies and few leads to go on Stonewalled by the tight knit equestrian world he looks to Emily for help but she is strangely reluctant Is she hiding something or is she afraid of their growing attraction As the search for the murderer heats up their hearts become entangled and their lives at risk forcing Emily and Justin to work together to find the killer before they strike again The Scales of Justice Richard Barnes, 2023-04-28 Nobody on her college staircase seemed able to understand how Rowan came to be in the Intensive Care Ward following an overdose nor could Rowan She could remember nothing leading up to her admission Over the next few weeks as first one and then another of her college acquaintances was murdered Rowan began to vaguely recall some of the events but there was always a block to fully remembering what happened on that fateful afternoon and evening Detective Inspector Jerry Gregory and his team investigating the murders linked them to a drug dealing syndicate based around Cambridge and London and to the back story of one of the murder victims **The Soul of the Greeks** Michael Davis, 2011-03-15 The understanding of the soul in the West has been profoundly shaped by Christianity and its influence can be seen in certain assumptions often made about the soul that for example if it does exist it is separable from the body free immortal and potentially pure The ancient Greeks however conceived of the soul quite differently In this ambitious new work Michael Davis analyzes works by Homer Herodotus Euripides Plato and Aristotle to reveal how the ancient Greeks portrayed and understood what he calls the fully human soul Beginning with Homer's Iliad Davis lays out the tension within the soul of Achilles between immortality and life He then turns to Aristotle's De Anima and Nicomachean Ethics to explore the consequences of the problem of Achilles across the whole range of the soul's activity Moving to Herodotus and Euripides Davis considers the former's portrayal of the two extremes of culture one rooted in stability and tradition the other in freedom and motion and explores how they mark the limits of character Davis then shows how Helen and Iphigeneia among the Taurians serve to provide dramatic examples of Herodotus's extreme cultures and their consequences for the soul The book returns to philosophy in the final part plumbing several Platonic dialogues the Republic Cleitophon Hipparchus Phaedrus Euthyphro and Symposium to understand the soul's imperfection in relation to law justice tyranny eros the gods and philosophy itself Davis concludes with Plato's presentation of the soul of Socrates as self aware and nontragic even if it is necessarily alienated and divided against itself The Soul of the Greeks thus begins with the imperfect soul as it is manifested in Achilles heroic but tragic longing and concludes with its nontragic and fuller philosophic expression in the soul of Socrates But far from being a historical survey it is instead a brilliant meditation on what lies at the heart of being human

The Ghost Marc Olden,2013-01-22 The Ghost, the code name for the secret member of an undercover cop's backup team, it is the Ghost's job to remain hidden, blending into the scenery, maintaining close observation of his assignment's surroundings. In short, he's supposed to keep the undercover cop alive. The Ghost's relationship with his undercover cop is unrivaled in its intensity. But every relationship has unpredictable turns, and in Marc Olden's *The Ghost*, undercover cop Rosalind Ross Magellan's relationship with her Ghost is no different. Magellan, impulsive, seductive, and an expert at the art of deceit and manipulation, is addicted to the rush of leading a double life. She has posed as a prostitute and a junkie to uncover dealers and sleazy players associated with New York City's underground night culture. Roaming desolate streets, abandoned buildings, and after-hours clubs without a police radio badge or vest, and often without a gun, her character reveals the true underbelly of New York City. In the tradition of Ed McBain and Elmore Leonard, Marc Olden's fastidious attention to nuance and the inner workings of the police reveals the work of a master crime writer. Mined with murder, blackmail, drugs, and betrayal, *The Ghost* is a story that will stay with readers forever.
