ideas it is the most ambitious and accomplished work yet by one of our greatest novelists **imwe imba - the other room** Munashe Wadzanai, Anne Schlechters, Thomas F. Andersson, 2022-11-21 Munashe is a bright adolescent girl living in Zimbabwe. She feels a pressure to leave Zimbabwe and to follow most of her peers to a university or to work in the West. However, she is not convinced that this is what she really wants. Via Thomas, an experienced European scientist and manager, initiating a technical Start up Hub at her boarding school, Munashe comes in contact with Anne. Imwe imba the other room is a novel covering the last 2 high school years of Munashe and Anne in letters between the young women as well as from Thomas to Simon, his now retired personal and business coach. Through the letters, Anne and Simon discover unknown and fascinating aspects of the southern African society. Especially since Thomas includes stories from Nelson Munashe's grandfather and small holder farmer. Based on the stories and hearing about Munashe's activities in more technical projects, Anne develops a critical attitude towards both the current Western school system and the effectiveness of traditional Western development or aid projects. On the other side, Munashe learns that Europe is not the land of milk and honey for everybody. Munashe and Anne, assisted by Thomas, review the so-called development work activities in emerging markets and propose a promising approach to economically uplift more rural areas. In part 2, the Start up Hub activities are proven to be sustainable, and Munashe asks where do we want to go. A design is made for a more ideal global society, and the issues faced implementing their ideas are discussed. The letters in this novel cover a wide spectrum of topics: personal struggles and contemplations, educational and business practices, science and art, geopolitics, and historical backgrounds, change management, as well as social developments. Each letter is written in an accessible language and underlined with references to allow the reader to explore more. Most of all, imwe imba wants to create awareness. Awareness for the wonderful real life in Africa. Awareness that Africa is prosperity. Awareness that our younger generation is perfectly able to initiate change. That a single person can initiate change. That complaining or being upset about various unacceptable global happenings or actions is not enough. That a further polarisation and blaming the others doesn't help. That we have to do things. That we should not fear change but embrace the changes that are needed to come to the necessary improvements. **INGRID BERGMAN My Story** Ingrid Bergman and Alan Burgess, 1980 **KD** Marcus Thompson, 2019-11-12 Golden State Warriors insider and bestselling author Marcus Thompson paints a complex portrait and captures all the multitudes of a dynamic athlete trying to carve his legacy. Jonathan Abrams, New York Times bestselling author, with this definitive biography of one of the most extraordinary basketball players in NBA history, Kevin Durant. The NBA has never seen a player quite like Kevin Durant. Larry Bird wasn't as quick. Magic Johnson didn't have such a range, and Michael Jordan wasn't seven feet tall. Durant handles the ball like Allen Iverson, shoots like Dirk Nowitzki, and has the scoring instincts of Kobe Bryant. He does it in a body that's about as big as Hakeem Olajuwon. But ultimately, Kevin Durant is like no one but himself. After an incredible first season with Golden State, Kevin Durant earned the coveted NBA Finals MVP award; he was the Warriors' top scorer in every game of the 2017 Finals.

helping the team snatch the title from LeBron James and the defending champion Cleveland Cavaliers As a sports columnist for The Athletic Bay Area and longtime beat reporter covering the Golden State Warriors Marcus Thompson is perfectly positioned to trace Durant s inspirational journey KD follows Durant s underdog story from his childhood spent in poverty outside DC to his rise playing on AAU teams with future NBA players to becoming a star and hometown hero for the Oklahoma Thunder to his controversial decision to play for the NBA rival Golden State Warriors to his growth from prodigy into a man in the first true inside account of this superstar player With his gift for insight into people in a way that might be sui generis among writers Ethan Strauss The Athletic Thompson has written a powerful moving biography of a modern day legend that is also an essential read for all sports fans or anyone who wants to know what s it like to shoot for greatness
