Passport Customer Service Centre:

The future of the Newport Passport Office Great Britain: Parliament: House of Commons: Welsh Affairs Committee, 2011-02-03 Newport Passport Application Processing Centre serves the whole of Wales and south west England It deals with 47 000 passport applications annually around 10 per cent of the national total The Identity and Passport Service IPS proposes to close the Passport Office at Newport with a loss of over 300 jobs although the Home Office announced that a customer service centre would be retained in Newport to service South Wales and the South West of England The piecemeal nature of the announcements suggests the lack of a co ordinated strategy regarding the future of the IPS in Wales The Office s significance to Wales and its value to the Welsh economy have not been truly appreciated by the Government No economic impact assessment of the proposal has been completed and the criteria on which the decision was based should be re examined The Newport Passport Office is the second largest employer in the city centre Its closure would have a significant economic impact on the city and would be a further blow for the Welsh economy The Committee is not convinced that long term savings will be made by reducing the size of the Office The IPS should on the contrary provide a detailed appraisal of the costs and benefits of consolidation and expansion as opposed to a reduction of services Without the retention of the office in Newport the Government s duty to provide a Welsh language service to users may not be properly discharged Health and Safety, Environment and Quality Audits Stephen Asbury, 2013-10-15 This book provides a step by step guide to technical and operational integrity audits which has become invaluable for senior management and auditors alike This book Shows practitioners and students how to carry out internal audits to the key international health and safety environment and quality standards Contains over 20 new case studies 20 additional A Factors and superb new illustrations Includes checklists forms and practical tips to make learning easier With the addition of colour Health and Safety Environment and Quality Audits delivers a powerful and proven approach to auditing business critical risk areas It covers each of the aspects that need to be taken into account for a successful risk based audit to international or company standards and is an important resource for auditors and lead auditors managers HSEQ professionals and others with a critical interest in governance assurance and organizational improvement The companion website at www.routledge.com/cw/asbury contains relevant articles example risk management frameworks and a video by the author explaining the key aspects of the book **HC 238 - Her majesty's**

passport Office: Delays in Processing Applications Great Britain: Parliament: House of Commons: Home Affairs Committee, 2014-09-16 Applications for a passport are administered by Her Majesty s Passport Office HMPO This executive agency of the Home Office was established on 13 May 2013 At the beginning of June 2014 it became apparent that there were delays in the processing of passport applications Members of the public who did not contact their MPs were held in queues and their cases were not dealt with a sufficient level of service All applicants should be able to receive details of their applications regardless of whether they follow it up themselves or if it is followed up by their constituency MP A number of

people have ended up out of pocket due to HMPO's inability to meet its service standard HMPO should compensate all those people who made an initial application on or after 1 May 2014 who subsequently upgraded to the fast track service and who met the criteria for the free upgrade which was later offered and the Home Office should remove the agency status from Her Majesty's Passport Office HMPO bringing it back under the direct control of Ministers **HC 516 - Support for British Nationals Abroad: The Consular Service** Great Britain. Departmental annual report 2010-11 Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2012-04-13 Despite the impressive performance of the Foreign and Commonwealth Office in representing the UK s interests across the globe with what is in Governmental terms a particularly small budget the Foreign Affairs Committee believes that the FCO is under funded This situation has been exacerbated by the Spending Review 2010 and the lack of detail provided by the FCO and the BBC World Service as to exactly how the spending reductions target will be met is disappointing There are concerns about the steps taken by the FCO to adjust to its reduced budget reductions in the deployment of UK based staff overseas and the optimistic planned programme of property sales will have a detrimental impact on the ability of the UK to protect its interests overseas The establishment of the European External Action Service EEAS will place a further strain on the FCO s resources The Committee welcomes the appointment of Lord Williams of Baglan to the post of International Trustee with responsibility for the BBC World Service but reiterates its belief that a formal concordat governing the World Service s budget and output should be drawn up setting out the World Service s independence from budgetary pressures elsewhere in the BBC The budget cuts faced by the British Council will lead to the Council becoming a substantially different organisation by the end of the Spending Review period The greater emphasis that the British Council will place on commercial activity risks a diminution of the UK s influence and soft power *Strategic Management* Adrian Haberberg,Alison Rieple,2008 This student focused text provides an emphasis on skills development Packed with real life examples of what can go wrong with even the most well conceived strategies there is a focus on realism throughout With a highly accessible writing style this text it is an invaluable learning tool for all students in this area
