G. T. Harrell, 2009-01 Seldom if ever has a writer been given access to a former major drug dealer in the Mafia underworld and three generations of family members that followed After nearly two years of interviews and subsequent research it has been discovered that a close relative of the family was one of the most powerful figures in the Mafia from the 1940s to the mid 1990s yet his identity until now has never been revealed He was the consigliere for all of the American Mafia The book tells in detail the life and times of a family who escaped the threat of Fascism in Sicily at the turn of the century and the rise of one of the children to a major figure in the Mob Another sibling returned from a tragic life in an orphanage only to become an adept criminal He ultimately spent twenty years off and on in prison with the Who's Who of the Mafia men who became friends and had secret stories to tell After prison he became one of the pioneers of Off Off Broadway in NYC and later was responsible for the regeneration of Little Italy in the Lower East Side of NYC The book details the influence and protection afforded later generations of the family to this day It offers a unique insight into the real life of people during this 100 year period Myths about the Mob are disclosed and inaccuracies in the history of the Mafia are corrected It is a very compelling epic true story It is a book you will not be able to put down Look on www.mafiasecretjudge.com for further details

Escape to Another Reality Jack Groverland,2022-10-24 I once believed like you that I was an objective observer of the world around me Then at age 22 I was arrested and bound for prison Suddenly I had a mental shift which felt like an invasion of my mind by an unknown entity and it had me running for my life under a hail of bullets In the terrifying process I did not just escape the police the city and state I was arrested in but I escaped reality as I knew it running past buildings that were sky high and flat without definition people were taller cars longer and the street I was running on narrowed all the way to the horizon like a surreal painting In this psychedelic state everything appeared to move slower allowing me to dodge gunfire and miraculously escape the police When the hallucination ended I was in a different City Without money personal ID or a place to sleep I was forced to live in a different reality one which included an unseen power that meddled in my life
