

## 5<sup>th</sup> Grade Book Report Format

This written book report will be done for the month of January and will be due January 28. This report may be either typed or handwritten (cursive if handwritten).

Please note that class time will NOT be given for typing this report. Please also remember to use complete sentences and PROOFREAD your report before turning it in! See the attached rubric for more information on how these reports will be graded.

### **Cover**

Include your name, title of the book, author, and an illustration of book (can be handmade or printed)

### **Introduction(Paragraph1)**

Thing to include in the introduction:

- The title (underlined) and author of the book
- Why you chose the book
- What kind of story is it? (realistic fiction? Historical fantasy? Historical fiction? Narrative nonfiction? Biography?, etc.)

### **Body (Paragraphs 2-6)**

In this section you want to describe the main parts of a story: theme, setting, plot, and characters. Then you give your opinions about the book.

**The Theme (Paragraph 2)** is the main idea of the story. Some examples might be the importance of friendship or how to be courageous in a difficult situation. Tell what you think the theme is and how you know.

**The Setting(Paragraph 3)** is the time and place of the story. Is it set a long time ago or now? Does it take place in another country or in an imaginary place? How much time passes in the story – a day? a year? A lifetime?

**The Characters (Paragraph 4)** are who the story is about. The main character is called the protagonist. Who are the other important characters? Do they help or hinder the protagonist?

**The Plot (Paragraph 5)** is what happens. You want to tell what the story is mostly about. What is the main event or conflict? What things lead up to it? What happens as a result? How does the story end? (Sometimes you want to avoid telling the ending, or giving away the secret of the story.)

\*Be careful not to re-tell the whole story in detail – you want room in your report to write about other things; instead, just say enough about it so the rest of your report will make sense.\*
